## Greenwood news Baseball game was big hit

By MILDRED McTAGGART  
Congratulations to Mrs. Maude Stell of Kinsale who is celebrating her 80th birthday this coming Sunday afternoon in the old Kinsale school house.

Mr. and Mrs. Larry Morden and Ryan Justin called on Mr. and Mrs. Doug Morden this week. Sympathy is extended to Mr. and Mrs. Roy Hill in the loss of a brother, Clifford Hill of Ajax.

This Saturday, Sept. 17 is Greenwood Festival Day at the Community Park. The Park Board have been working hard and planned a big day with everything from horse shoe pitching to donkey baseball and concluding with a denim dance at night.

Janel Crawford's sister-in-law Mrs. McKean of Ottawa is visiting with her this week.

We are sorry to report that Don McLean is in the Western Hospital and Edith James is in Oshawa Hospital.

A unique baseball game was played on Friday night when the CHOO Railroaders came up against the Greenwood Old Timers. The game started with pitcher Ed Pascoe followed by Grant, Ron Hoar, Nip Hooker and Les Wilson. Time was called in the third inning and Allan Carson was presented a wig as a birthday gift and he remained old silver top for the rest of the game. Then Ron Hoar was missing in the fourth inning so they called Grandpa Steve to pinch hit. After hobbling to the plate grandpa took a hard swing at the ball and landed flat on his face. Somehow grandpa's long white beard seemed to get in the way and the next pitch hit him and so he got a walk, or a hobble to first base, but had to be helped off the field after gaining second. Greenwood players showed they were not too concerned with lack of water in the area and tossed a bucket of it at Grant Carson. Who Won? I believe CHOO was ahead at the end but as announcer Stan Outhouse remarked it was how they played that counted.

## Claremont W.I. will tour Scugog museum

By ANNE LONEY  
The Fall Program of Claremont Women's Institute will begin with a tour of Scugog Historical Museum on Wed. Sept. 21 followed by lunch at the home of Miss Isobel Gregg of Sunderland. Cars will leave Claremont at 12.30 p.m. Please plan to attend.

Stouffville United Church was the scene of a pretty wedding last Saturday, September 10, at 4.30 when Rev. J.L. Carder officiated at the marriage ceremony of Sandra, daughter of Mr. and Mrs. James Machesney of Mount Albert and Brian, son of Mr. and Mrs. Frank Wilbur of R.R. 3 Stouffville.

On the arm of her father, the bride came down the aisle in a lovely white floor length gown, with a long white veil of the same material, and carried orange roses and yellow carnations. Her Maid of Honor, Betty Gerling of R.R. 2, Uxbridge, wore a long copper crepe gown with a cape to match and carried yellow daisies; her bridesmaids were her aunts, Linda Harper of Stouffville, Betty Ferguson of Goodwood, and her sister, Beth Machesney of Mount Albert, all wearing copper crepe floor length gowns with yellow daisies.

Jack Paisley of Aurora was the best man, and ushers were Tom Machesney, brother of the bride, and Jim Boyd and Brian Wilbur of Stouffville. They were smart in their light beige dress suits, with dark brown cummerbunds, and white carnations in their lapels.

Mrs. Machesney, mother of the bride, wore a long dress of a copper tone crepe with a corsage of yellow daisies, and Mrs. Wilbur, mother of the groom, wore a floor length gown of green crepe, with a corsage of white carnations.

The reception was held in the Goodwood Community Hall and, after receiving their congratulations and best wishes, the bride, in a going away brown suit, and her husband, left on a motor honeymoon. On their return they will make their home in Altona.

Rev. Edward Cook is back to his pulpits in Claremont and United and St. John's at Brougham. He and Mrs. Cook had extensive trips to Hamilton, Fort Erie, Niagara Falls, to Collingwood and up the Bruce Peninsula to Tobermory and down to Kitchener, Waterloo and Stratford. They spent a week in the Perth area and visited with Mrs. Cook's father, Mr. John Mohrs.

The evening unit of the UCW met at the home of Mrs. Mary Borland on Sept. 12, Monday evening. The guest speaker was Miss Isobel Gregg who gave a talk on her trip to Spain.

The United Church Sunday School will commence Sunday, Oct. 16 at 10.15. There is a need for teachers and anyone wishing to help please contact the Rev. Edward Cook or Jack Ward.

Mr. and Mrs. Frank Jenkinson are happy to have as visitors Frank's two brothers and their wives from London, England. His younger

brother, Clifford, and his wife, Peggy, were here a year ago, and liked it so much that they have come again this summer. John and Olive Jenkinson are with them for their first visit to Claremont. This is also the first time the four brothers have been together in Canada. There is an older brother living in Scarborough. Saturday night Mr.

and Mrs. Earle Pilkey and Mr. and Mrs. Everette Warner of Brougham motored to Cobourg for the official opening of the Lions' Community Centre.

Four hundred and twenty Lions attended. Glen and Linda Gauslin of Woodbridge and Ron Gauslin of Claremont spent a week's holiday at the home of Linda's aunt in Nashville, Tenn. While their parents were away, Donna and Neil stayed with their grand parents, Mr. and Mrs. Gordon Gauslin.

# Children don't get arthritis...right?

Wrong. Thousands of children are crippled by Arthritis every year. Surprised? Of course. Most people think of Arthritis as a disease of the aged. It's not. Arthritis affects all ages, shapes and sizes of Canadians. One out of every five Canadian families have a member who suffers from Arthritis. 95,000 Canadians are now confined to a bed or wheelchair. 428,000 more are partially disabled. 9,000,000 work days are lost annually because of Arthritis, costing \$457,000,000 to our economy. Small wonder Arthritis is a root cause of poverty!

Let's be frank. Arthritis is a big problem. A problem the people of the Arthritis Society are working very hard to solve. But, solving a problem like Arthritis is expensive. That's why we need your money. To research advances in treatment. To treat those already affected through the building and maintaining of Rheumatic Disease Units in hospitals. To inform the Canadian public about the over 100 varieties of Arthritis. Early diagnosis CAN prevent disability.

Think about it. Don't wait until Arthritis becomes a personal problem. Give us a hand now.
