Super-Lastic Mud 'n' Snow

ER78/14 WHITEWALL

**Steel
Belted
Radial**

5290
EACH

Two or more: Each after
discount for cash*

46⁴⁵

You get up to 80% more deep-snow traction with a winter radial — extra safety in winter AND less wear on your summer radials. Two steel belts atop polyester plies for long life and smoothness plus a nylon cap ply for improved high speed durability... heavily cleated tread gets a tight grip on winter. And our Mud'n'Snow is fully compatible with new car radials, too.
