

Weightlifting club gets gold

High achievements for any first year sports club are few and far between, however, the Stouffville weightlifting club has broken that rule, not once, but twice.

The club, which was a year old on Wednesday, collected two gold medals at the recently held Ontario Junior Olympics held at the YMHA.

Armin Schopf, 192 lbs. 16 years old, and Dave Dart, 192½ lbs., 17 years old, both took home gold in their respective

Atoms win two shut outs

On Friday, the Stouffville Atom A's played a superb, tight checking game against Oshawa to win 2-0.

Darryl Brown stopped all shots in order to register the shut out. The defence trio of Craig Vaughan, Kevin Ferris and Darrin Hardy cleared the puck well and fed passes to the forwards.

It was Darrin Hardy, unassisted, who put Stouffville ahead to stay in the third period. The insurance goal came when Doug McQuigg picked the puck up behind the Oshawa goal and fed a pass to Kenny Burrows standing in front. Ken's shot was stopped, but Chris Doyle lifted the rebound over the sprawling Oshawa goaltender.

On Sunday, the A's visited Markham for another tight checking game. The match was filled with end to end rushes and body contact, but it was Darrin Hardy's spoke check that led to the only goal in the game. The big captain picked up the puck faked a Markham player, and fired a hard shot that the goalkeeper stopped. The rebound was fielded by Chris Doyle who picked the upper left corner perfectly.

The whole team deserves credit for two games well played.

age and weight categories. It's an incredible performance for the two who were up against competitors who had many more years of experience.

In other weightlifting news, the coach of the

Spartan club, John Roberts, has been appointed executive secretary for the Ontario weightlifting association for 1978.

And Stouffville was recently granted permission by the OWA to hold the most prestigious

weightlifting meet of 1978, the All Ontario Seniors.

This meet, featuring many lifters from the Canadian Olympic team, will take place on Saturday, March 25 at the SDSS gym. Many of the lifters performed in the 1976 Olympics in Montreal.

Two Stouffville weightlifting club members recently won gold medals at the Ontario Junior Olympics. The two are Dave Dart, left, and Armin Schopf, right. They won in their respective age and weight categories.
