After the business each member, along with the friend she brought, contributed to the program and at the end received a home made valentine. The program consisted of readings and Mrs. Maude Bell and Elsie Boland sang a duet "Brighten the corner where you are". The next meeting is in March.

The Goodwood W. I. curators are looking for historical information of properties in and around the Goodwood area. Material gathered will be included in the Tweedsmuir History book. When Lord Tweedsmuir was the Governor General of Canada, his wife, Lady Tweedsmuir was surprised at the lack of information on rural properties and she asked each W.I. group to gather this information in one large book to be the property of that Women's Institute group. It was decided to call these historical books "The

Lady Tweedsmuir History Book." If you are interested in having the history of your property recorded in this beautiful large book, please get in touch with the curator, Mrs. Harry Woodland at 649-5362 or Mrs. B. Burnell at 649-5931.
