Prices include Trade-In . . . Add \$2.00 without trade

Applies only to private passenger car and non-commercial half-ton truck use. In all other applications, guarantee is limited to 6 months. Should a battery fail due to defect during stated guarantee period, it will be replaced at no cost with a battery of same type and size, subject to the following conditions:  
1) guarantee applies only to the original purchaser and vehicle in which it is originally installed.  
2) Battery damage beyond our control is not covered.  
3) The new no-cost replacement battery will be covered only for the unexpired portion of the guarantee.  
4) Installation is extra.
