DOWN TO EARTH VALUES

Chain Saws

Five models, 30 to 70 cc's. Sprocket-nose guidebar, 12 to 24 inches. Automatic oiler. Counterbalanced crankshaft. Most models also have an isolated engine for more operating comfort. See us for details.

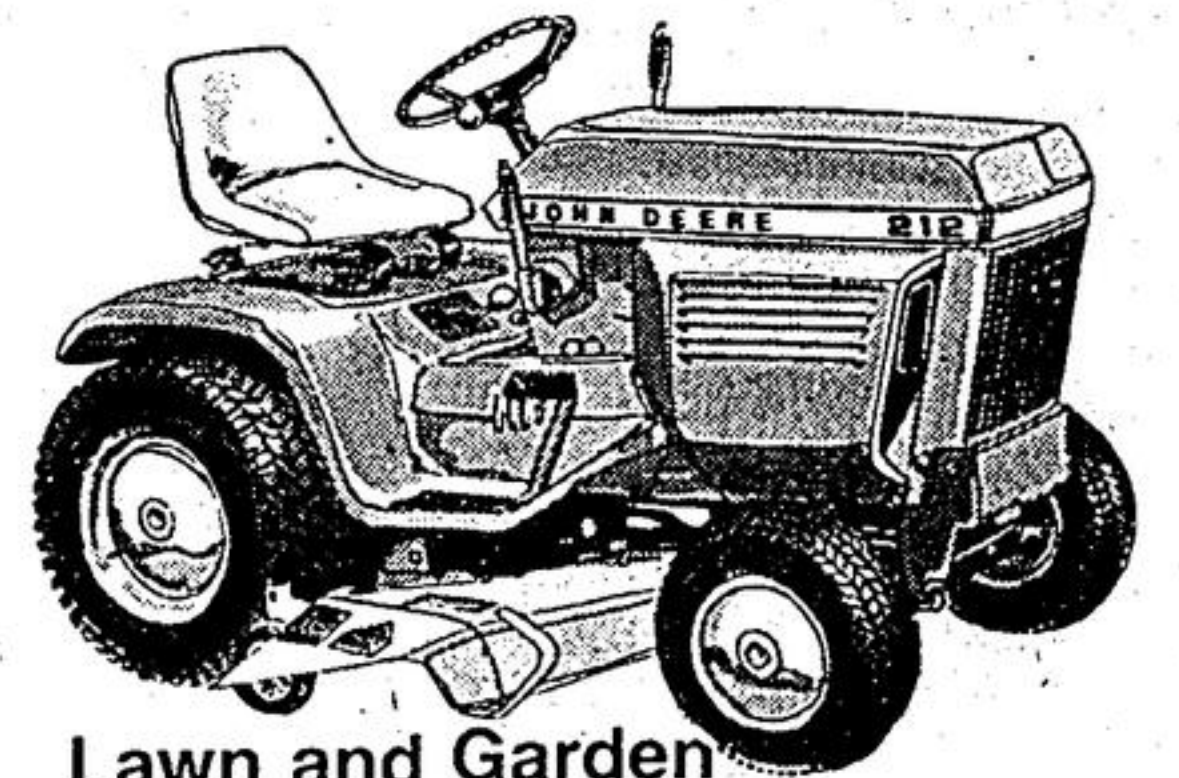

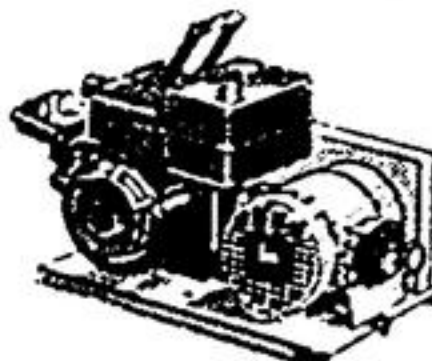

Air Compressors

Put air power to work with a John Deere Compressor. Models from 1/3 to 2 hp. Spray paint, operate air tools, inflate tires... and let compressed air provide the muscle.

Oil-Less Air Compressors

New design provides long, trouble-free service. Both gasoline-engine and electric-motor models produce a clean, oil-free air supply. 100-percent duty cycle.

Lawn and Garden Tractors

John Deere offers a choice of 8 power sizes—from 8 to 19.9 hp—and 3-speed, 4-speed, variable-speed, or hydrostatic transmission. Triple-safety starting guards against accidental starts. Color-coded controls are near at hand. Rustproof hood is hinged for easy engine access.

High-Pressure Washers

Clean up quick around home, farm, or business with one of five portable washers. Electric current and cold water are all you need to put a no-scrub cleaning machine to work for you. Nozzle pressure from 500 to 1,100 psi, depending on the washer you choose. Detergent wax and degreaser too.

Riding Mowers

Four models: the 5-hp 65, 6-hp 66, 8-hp 68, and the super-quiet Electric 96. Choose a model with 3-speed or 5-speed transmission, 28-, 30-, or 34-inch cutting width. All are human engineered for comfort.
