Bias-Belted Turnpike Widetrack

E78-14 WHITEWALL
3140 Each
After discount for cash* **2983** Each

The Turnpike 2+2 Wide-Track has 2 Glass belts atop 2 Polyester plies — a winning combination for good performance and comfort. The Glass belts aid stability for better braking, traction and cornering while the Polyester plies ensure a smooth ride. An exceptionally strong and long-lasting tire that's good value at our everyday low prices. 25,000-mile performance rated.

STEEL BELTED RADIALS

...at Canadian Tire's everyday low prices

The Super-Lastic Supreme Radial is one of our best total performance tires. With 2 steel belts — to add mileage and reduce tread squirm — atop a Polyester casing that ensures a stable smooth ride. Similar to most new car steel belted radials with an additional 2 Nylon cap plies for improved high speed durability in 14 and 15 inch 78-series. 40,000-mile performance rated.*

Twin-Ply Nylon WHIPPET II

Made of double-ply Du Pont 66 Nylon cord that is 50% stronger than used in regular 4-ply tires. It's a construction that allows fast heat dissipation for cooler high-speed running with soft cushioned ride. True economy in a factory-fresh bias-ply tire.
