Peewee A's Battle to semi-final lead

Each hockey club needs a leader, and in the Stouffville Peewee A's there is an exceptional team leader in 12-year-old Bryan Todd who is not only a skillful hockey player but a true inspiration to his teammates.

The Peewees are currently involved in a grueling best of five semi-final series with the extremely tough and talented team from Base Borden. At this point Stouffville is leading two games to one.

It is in this series that Bryan has shown just how much he means to the team. Bryan's family is currently vacationing in Jamaica, but he chose to stay home to help his team in the playoffs.

Mark Murphy also gave up part of his vacation and it is this type of loyalty that makes the team a champion, whether they win or not. In the opening game

of the Base Borden series, it was the Borden boys that edged out Stouffville 7-5, in a game that could have gone either way.

Rob Doherty, Borden captain, led his team with a great five goal effort. However, Bryan Todd almost matched that feat by scoring four of his own. Centre Barry Smith assisted on three of Bryan's goals, and Tim Yeomans, who netted the first Stouffville goal, also picked up an assist.

In the second game played at Borden last Sunday the Stouffville Peewees came through with a solid all around effort and won 4-2.

Stouffville came out strong and with just 14 seconds gone in the game Bryan Todd scored on a nifty pass from Brent Barton.

Tim Yeomans broke the game wide open by scoring two pretty goals on assists from Peter Sinclair and Bryan Todd.

Borden's Rob Doherty narrowed the gap by scoring midway through the second period but Stouffville sealed up the win on Brent Barton's tally from Barry Smith and Tim Yeomans.

Stouffville forwards back checked excellently, and the defence, led by Rick Ewing, J.P. Herold and Mike Glenn, kept Borden off balance throughout the game.

The third game of the series saw Stouffville win it 3-1 despite the team missing three regular players and numerous others hampered by a variety of hurts and ills.

Mighty Mite Peter Sinclair scored the first goal on a breakaway with an opposing player draped over his back. Peter also scored the clincher in the third period assisted by Brent Barton and J.P. Herold.

The second, and winning goal was put in by Barry Smith.
