

Goodwood news

# School sale big business

By ELSIE BOLAND  
The rummage and bake sale which the Goodwood School had last Thursday, April 6 was very successful. Money goes to school excursions and gym equipment. The following are the winners of the raffles: Scott Harper won a cake donated by Dorothy Borth; Mrs. Ward won a cake donated by Irene Tindall; Kim Pinkerton won a cake donated by Judy Todd; Tammy Brown won a cake donated by Mrs. Cragg and Mrs. Cragg won a cake donated by Mrs. Woodhouse. A knitted poodle was won by Mrs. E. Smith, and a stuffed poodle was won by Wanda Davis.

On Sunday morning the Goodwood Brownies and Guides took part in the service at the Goodwood Baptist Church.

The Goodwood U.C.W. met at Mary Mitchell's last Tuesday evening, with a good attendance.

A community bridal shower will be held for Karen Yake on Friday evening at the home of Rhoda Lynch. Karen is engaged to Blair McNeil.

The Couples Club had their business meeting last Tuesday evening in the Goodwood Hall to iron out a few differences and create in a few new ones. This meeting was well attended and we hope to see all the faces at their

next dance which is Saturday, April 15, in the Goodwood Hall.

We understand Artie Parrotts condition is much improved. Keep it up Artie.

Saturday, April 22 is a big day for the Girl Guides and the Brownies in the Goodwood Hall. They are holding a bazaar and tea from 1-3 p.m. Let's all attend and help these two organizations along.

The Baptist Brigade had their annual banquet in the Goodwood Hall last Saturday night. The Women's Institute catered a wonderful meal. Most of the

program was beautiful Christian music.

Jay Peden celebrated his eighth birthday with all the little calves at the farm on Saturday and Sunday.

Bingo is April 12, 7:30 p.m. in the Goodwood Hall. The jackpots haven't been won yet.

A very pretty but quiet house wedding took place in Goodwood on Saturday, when Gail, the oldest daughter of Mr. and Mrs. MacIntoch was married to Richard Ward of Brampton. They are honeymooning in Jamaica and will live in Brampton. Congratulations to the

newlyweds. Euchre last Wednesday, April 5, in the Goodwood Hall. Winners were Margaret Stewart, Daisy Sellars, Tom Hammond, Elva Symes, and Lloyd Bryant, with Daisy Sellars taking the door prize. Next bingo is April 19.

A "maple syrup supper" will be held in the basement of the United Church, Wednesday, April 19, 5 p.m. This is a full course dinner with maple syrup as an added attraction. Proceeds are for the United Church Women.

Euchre in Siloam last Friday attracted a full house. Next one is in two weeks.

Congratulations to a lovely, active lady, Mrs. Redman, who is celebrating a birthday and makes a dandy raspberry pie.

The Baptist Church Missionary Circle was held at Mrs. Lorne Tindall's last week with a large attendance. Come again, Rowena.

Edith Smith had a very successful "Sarah Coventry" luncheon.

The Kamps home on Park Drive was the site of a student project last week. The above spruce tree was removed from their property and donated to Humber College. The tree, was blocking the view from the side window, and instead of cutting it down it was decided to give it to the college. Roseanne Kamps, who attends the college, called up a few of her fellow students and together they dug out the tree, and tried, unsuccessfully, to load it on the truck. Fortunately they were able to flag down the town's back hoe which had no trouble in placing the large tree in the truck.

Glen Warren Productions Ltd. and the CTV Television Network Ltd. will be auditioning contestants for the game show

## "Headline Hunters"

Monday, April 17th, at 7:00 p.m. at the CFTO-TV studios McGowan and Hwy. 401 Agincourt

For further information contact the ticket office at 291-9111 between 10:00 a.m. and 2:00 p.m.

## Diabetic Association holds sweepstake draw

The Diabetic Association of Ontario is now conducting its sixth Sweepstake offering a first prize of \$20,000.00 and five additional prizes of \$1,000.00 each. Proceeds from the \$1.00-a-ticket Sweepstake will

lend substantial support to research, education and discovery for diabetes, the third largest killer in Canada after heart disease and cancer. With 250,000 known diabetics and an estimated 250,000 un-

detected diabetics in Canada, early detection and education are vital. When neglected, diabetes may cause serious bodily complications resulting in blindness and perhaps circulatory failure.

By supporting the 1978 Sweepstake, the 33 Branches of the Diabetic Association of Ontario will contribute significantly to the search for the cause and cure of diabetes. Half the proceeds will fund diabetic research in Ontario universities and hospitals and half will support Camp Huronda near Huntsville, where diabetic children learn to take care of themselves, their injections and their diets. Any diabetic child, regardless of financial circumstances may enjoy the many pleasures and experiences at camp.

Although insulin is the basic control of diabetes, far more research is required to find the breakthrough into the answer to the life-threatening complications of this disease.

The draw will be made Wednesday, May 31st, at 2:00 p.m. at the Toronto City Hall Square.

Tickets may be obtained by writing or calling Mrs. S. Painter, 27 Ronfield Cres., Thornhill, 881-3068.

# OVER 60?

## Our GT60 Service can save you money.

GT 60 is a package of free personal financial services. It features a Premium Savings account with interest calculated and credited monthly; a No-charge Chequing account with free personalized cheques and free monthly statement. And that's not all!

It also includes services such as free purchase of travellers cheques — for those trips you're going to make. Free deposit by mail, with postage paid both ways (saves a trip to do your banking).

Come in and talk to us about GT 60. It's well worth the trip.
