

INTRODUCING SUPER ECONO TOURS.

This year, more than ever,
a Canadian vacation makes sense.

VIA Rail Canada, in co-operation with the Canadian Government Office of Tourism, presents Super Econo Tours.

The idea behind Super Econo Tours is simple: the firm belief that most Canadians want to see their own country, and should be provided with the means of doing so.

Super Econo Tours are exactly that — 12 all-new, exciting itineraries through all provinces and all regions of Canada, on both CN and CP Rail lines, at prices you and your family can really af-

ford! The only condition is that payment be made 30 days before date of departure. So, please reserve now.

Yes, this year, it makes sense to see Canada. From the best viewpoint there is, using the most energy-efficient means of transportation there is — THE TRAIN!
