IF YOU DON'T HAVE 10 INCHES* OF INSULATION IN YOUR ATTIC, YOU'RE LOSING HEAT AND WASTING MONEY.

If your home is like 90% of Canadian homes, it's not properly insulated. This chart gives you an idea of how much you could save by bringing your home from the average level of insulation up to today's recommended standards. Of course, as energy costs go up, so will these savings.

| | Oil Heat | Gas Heat | Electric Heat |
|-------------|----------|----------|---------------|
| ST. JOHN'S | \$209 | N/A | \$296 |
| FREDERICTON | \$204 | N/A | \$215 |
| MONTREAL | \$195 | \$176 | \$202 |
| TORONTO | \$159 | \$115 | \$242 |
| WINNIPEG | \$237 | \$162 | \$320 |
| REGINA | N/A | \$130 | \$390 |
| EDMONTON | \$228 | \$140 | N/A |
| VANCOUVER | \$130 | \$120 | \$199 |

*Based on insulation material with R-3 value per inch (2.54 cm).

NOW HOMES BUILT BEFORE 1946 ARE ELIGIBLE FOR A HOME INSULATION GRANT OF UP TO \$350.

If your home was built before 1946, is your principal residence, and is three storeys or less, you're eligible for a taxable grant of % of the cost of your insulation materials, up to a maximum of \$350 (retroactive to materials purchased on or after September 1, 1977).

For FREE and complete information about how to insulate your home and how to apply for a grant, send in the coupon below.

Home tours in Uxbridge

The Trinity U.C.W. of Uxbridge will be holding their annual House Tour on Thursday, May 25th from 1 to 5 p.m.

Some of the homes featured this year include: a school, well over the century mark, which has been converted into a most unusual home. There is also a country home that is exquisitely decorated with old world antiques situated in a wooded area beside a pond.

Another home situated in a new and exclusive development overlooking a pond, is almost brand new and combines gracious living with year round family fun. In the same development is a just

completed log home. Two log houses were brought to the site from different Ontario locations. A tiny century old church is really unique.

And finally, nature has been brought indoors in a solar heated home situated in a secluded wooded area.

Tickets at \$4.00 include refreshments, which will be available at Trinity United Church. Advance tickets are on sale at Tiers Drug Store and Davie Pharmacy in Uxbridge. Those attending are asked to bring slippers since shoes will be removed at the door.

Adults only please. For further information call Mildred Clarke at 852-3275.

Valdy tickets on sale

UXBRIDGE — Tickets for the Valdy concert at the Uxbridge Secondary School are now available at the Mr. Submarine store in Stouffville, but if you plan to go you better get your tickets quick.

The store has only 15 tickets left, each selling

for \$5, out of their original allotment of 40, which they received this week.

The concert by Valdy takes place on Tuesday, May 23 at 8 p.m. and all funds raised will go into the arena fund coffers.

Tickets are also available at Davies Drug Store in Uxbridge.

Alma Walker, left, Markham Regional councillor, presents her sister Eileen Twiner of Markham with the Markham safety council award. Mrs. Twiner has been a crossing

guard at Highway 7 and Robinson Street for the last 11 years. The award is in appreciation of her services as a crossing guard. —Sjoerd Witteveen

Community program starts

KING CITY — Community organizations and program planners are enthusiastic about L-E-A-R-N (Local Educators Assess Regional Needs), the new Continuing Education Council for York Region.

At a Monday meeting, hosted by Seneca College's King Campus, Rhelda Stockall (Helpmate Information/Richmond Hill) explained that she received "all positive feedback" from the recent LEARN/Richmond Hill meeting. These community groups and organizations, she said, are "looking forward to meeting again."

York Region is now divided into nine LEARN areas, including all nine municipalities.

If any groups or organizations offering community programs would like to be included in future meetings, the nine area coordinators are: Pat Ferguson (Recreation/Aurora), Dan Shannon (Recreation/Newmarket), Gwen Patton (Information/Markham), Terry Verity (Whitchurch/Stouffville Library), Helen Poulis (Help Information/Woodbridge), Rhelda Stockall (Helpmate/Richmond Hill), Steve Rockel (Recreation/Georgina), Wendy Hatley (Recreation/King), John Butt (East Gwillimbury Community Centre).

The purpose of LEARN, The York Region Continuing Education Council, is to

provide a forum for the exchange of information on community programming, specific information on current programs and future program offerings.

If any individual or community group seeking more information about LEARN/The Continuing Education Council for York Region, please call Seneca

College/King Campus (Continuing Education Department). The telephone numbers are: in Newmarket 895-1581, in Richmond Hill 884-9901 and Zenith 31200.
