Have your new shocks installed by our Automotive Experts at a very reasonable service charge

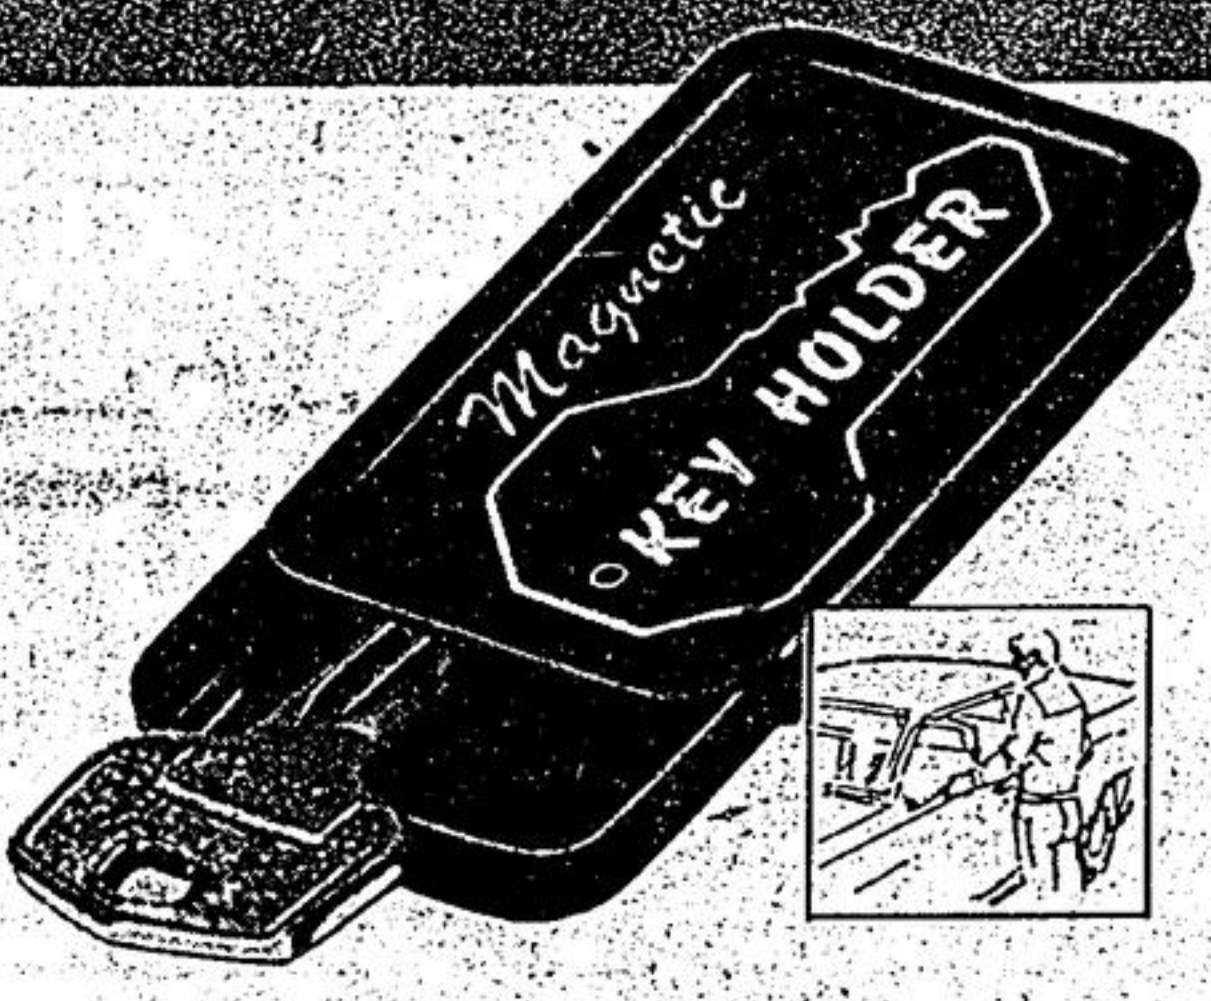

GUARANTEED
as long as you own your car

Motomaster Heavy-Duty Shock Absorbers are guaranteed as long as the original purchaser owns the car on which they are installed. Plus, if installed by us, shop charges carry a 90-day guarantee.

Check these Heavy-Duty features:

25% more fluid than most standard shocks; large 1 3/16" piston for 40% more ride control than 1" bore shocks; 1/2" micro-finished rods for longer seal life; independent replenishing valves for instant response and controlled ride; made by a leading North American manufacturer. It all adds up to a top-notch shock absorber that will toughen up your suspension system to give you safe, dependable control. 22-0421X
