Girls soccer starts tonight

Those who think soccer is just for boys should be at Orchard Park Public School tonight (Thursday) and be prepared for a surprise.

For tonight marks the opening of the Whitechurch-Stouffville girls' soccer season. There are two girls teams this year and they surely will provide just as much excitement as the boys.

The game will feature the Stouffville Mosquitos against Thornhill, and councillor Becky Wedley will handle the official kickoff. Game time is 7 p.m.

Last Saturday the Stouffville District Secondary School played host to 300 athletes at the Whitechurch-Stouffville track and field meet. Above is just one of the many races held, this one a junior boys 200 meter heat. Franklin Public School in Markham again took the overall school award, with Summitview a close second.

Soccer roundup

Exciting fast paced games marked the opening of the Stouffville boys soccer season in the York district league last week.

On Monday the Stouffville IGA squirt A team was 30 seconds away from a win over Mac Fleming Paints of Richmond Hill. However, the Richmond squad was able to score and came away with a 1-1 tie. Kurt Ianuzzo had the Stouffville goal.

In B division Atom play, Shiners Fencing and Contracting recorded a 5-3 victory over Newmarket Ricks Repair Service. Stouffville was led by the two goals from Andrew Philliskirk, with Nick Doyle, Dean Shiner and Mark Tiley counting singles.

The other Atom team, Bank of Nova Scotia, also emerged victorious over their Bear Alignment, Aurora opponent. A combination of fine goalkeeping and scoring by Jeff Zeck and Graydon Card produced a 2-0 win.

The Stouffville Delicatessen Peepees knocked off Stouffville. Restaurant 5-1 in a hard fought match. Deli goals were scored by Dave Marshall, Mark Doble, Ron Blommistyn, Jimmy

Edwards and Alan Embry. The lone Restaurant goal was put in by Robert Brooks.

The B division Squirt George Ross Photo team shut out Newmarket Co-op 1-0. Ted Stonehouse scored for Stouffville. The other squirt game saw Stouffville Canadian Tire and Newmarket Scotts Chicken tie 1-1. Marco Falcone tallied for Stouffville.

In Mosquito action, two home teams, Whitechurch-Stouffville

approximately \$18,000 and applications will be made to the provincial government for one-third funding from a Community Centers Grant, and \$4,000 from Wintario. The balance of the project will be paid for by the town.

The Ladies Auxiliary, who in January of this year voted to make a tennis court and skating rink their project, are anxious to have more ladies in the area join their organization in the near future to help with the courts. Over \$2,000 has already been raised by the ladies, and they are anxious to have enough money to proceed with the project before the end of the year. Anyone interested, may call Becky Wedley at 640-2444.

Keep fit classes

By Rick Mann
 Want a painless way to keep in shape, or like myself get back into it? If so, then Stouffville Pool has a program for you. Every day during the month of June from 1:2 p.m., and twice a week the rest of the summer, Keep-Fit classes will be going on at the pool.

These courses use water and simple exercise principles to help become physically fit. Most of the exercises are done in waist-to chest-deep water, so being a good swimmer is not a requirement. In the past three summers, those who have attended these sessions have had fun, gained from the experience, and lost a couple of inches where they wanted to lose them.

This is by no means the only activity going on at the pool during June. Tuesday and Thursday mornings Moms & Tots classes are available to help your toddler to enjoy the water. Daily there noon hour swims for those warm June days to allow the working person downtown to cool off to face the afternoon. Adult & preschooler swims are also scheduled Monday, Wednesday, and Friday afternoons when the garden hose just doesn't suffice.
