Legislation seminar
Sometimes it's hard to keep up-to-date on what your government is doing for you. Did you know, for example, that under the new legislation the Canadian Employment and Immigration Commission is replacing the Unemployment Insurance Commission, Manpower and Immigration? It's designed as a One Stop Service.
Centennial College, in conjunction with the Canadian Employment and Immigration Commission will be holding a seminar on Tuesday, October 27th at the Ashtonbee Conference Centre in Scarborough in order to explain the legislation and services as they affect you.
If you would like further information, call Debby Banks at 694-3241, ext. 643.

Open house
Open House will be held Sunday, August 20th from 2 to 5 p.m. in the Friendship Room of St. Andrew's United Church, Main St., Markham in honour of the 80th birthday of Edwin Bruce. Best wishes only.

Wedding
Connie Grimshaw, daughter of Mr. and Mrs. Ed Grimshaw; and David McVicar, son of Mr. and Mrs. Alex McVicar, were married at the Stouffville Missionary Church last July 8. The couple will be residing on Rupert Ave., Stouffville.

Learning disabilities
It is often difficult to recognize the fact that a child is suffering from a learning disability, and yet early awareness of the problem facilitates treatment and prevents unnecessary stress for both the parent and child.
On October 18 and 19, Centennial College will be holding an introductory seminar at the Ashtonbee Conference Centre in

Scarborough on the origins, recognition, diagnosis and treatment of common learning disabilities in children.
If you would like further information, call Debby Banks at 694-3241, ext. 643.

addition so it could be used more often.
The old swimming hole at the park is the same as usual. It is badly in need of gravel.
