## Great storm damage

#### By ELSIE BOLAND

Those who had no harm done during the big storm on the weekend should count their blessings when one sees the damage caused by the "big winds" down the second concession from highway 47. Hydro was off for a very long time. The roof was torn off Roy Lewis's barn and the

#### former Joe Forsyth place

along with the corn drying equipment. However, people were cutting up trees and piling it in their trucks for firewood. The rain was really needed, so some received a blessing from the storm.

Keep in mind the Baptist Sunday School Corn Roast, Thursday,

Gord Jones residence. The Goodwood United Church meeting is August 30 with a pot luck dinner at noon at Mrs. Elva Symes. Anyone interested please take this as your invitation.

Reverend Mike Ward and Mrs. Ward and baby girl visited around finishing up their holiday before they went back to school. Gladys Slack is home from hospital. We hope it is permanent this time. A very good bingo last Wednesday evening in the Goodwood Hall.
