Women's Softball if they can beat out Kirkton.

The team was supposed to meet Kirkton in town this weekend but forfeited the game when only six players turned out. Midget co-ordinator Cliff Dunkeld expressed great disappointment at the teams default which cost them the first game but feels the girls can make up the lost ground. "If our Stouffville girls play ball, they can beat them," he said.

If the team aces out Kirkton they will meet in the finals. The bantam girls are slated to face Linwood at 2:30 p.m. on Saturday in Stouffville for the provincial title. They will then go back to Linwood for the final games.

The girls advanced to the finals after beating out Erindale 9-8 and 8-4. They had lost the first

game in the series 8-1. The only boy's team still playing is Ken May

Juveniles. They will be entering the CASA finals this weekend although at

this writing the opposing team had not yet been decided upon.
