TOWN OF WHITCHURCH-STOUFFVILLE

PROCLAMATION ARTHRITIS MONTH
The Arthritis Society in Whitchurch-Stouffville is actively engaged in a campaign for funds to extend its program of research and education which will ensure better care of arthritis patients, greater understanding of arthritis and, ultimately, eliminate arthritis from the spectrum of human disease.
The suffering of those afflicted in our community contributes to the loss of livelihood and thus weighs heavily on local business and industry through lost production, lost wages and the loss of purchasing power.
On behalf of the Council of the Town of Whitchurch-Stouffville, I am pleased to proclaim September as "ARTHRITIS MONTH", and I urge our citizens to co-operate whole-heartedly with The Arthritis Society in supporting the campaign and in learning more about this illness and the objectives of the Society.
