Claremont's lawn-bowlers, headed by president Tom Hammond (above), are proud of their new clubhouse, completed at a cost exceeding \$36,000. Funds for construction came from the federal government and the Town

of Pickering, with a New Horizon's Grant adding interior improvements. The facility is used by local bowlers and senior citizens for euchres and the making of crafts. A lighted shuffleboard court is located at the rear.

**VARIABLE LOAN RATES!**

Guaranty Trust thinks that you may be entitled to lower Personal Loan rates. That's why we have introduced the Variable Rate Loan.

With a good credit rating and reasonable collateral, you could get a Personal Loan for as little as 10 1/2%. Quite a saving when you consider what a loan might cost you elsewhere!

All you have to do is phone or come in and answer a few simple questions about yourself, your income and credit obligations. Let us know how much you need and for what period of time. Then we'll work with you to arrange the very best repayment plan to comfortably fit your budget.

Try us. We don't want you spending more on a loan than you have to.

*\*For example, \$10,000 loan at 10 1/2% taken out for 60 months, the monthly payment would be \$214.94 and the cost of the loan \$2,890.40. Rates subject to change without notice.*
