VARIABLE LOAN RATES!

Guaranty Trust thinks that you may be entitled to lower Personal Loan rates. That's why we have introduced the Variable Rate Loan.

With a good credit rating and reasonable collateral, you could get a Personal Loan for as little as 11%. Quite a saving when you consider what a loan might cost you elsewhere!

All you have to do is phone or come in and answer a few simple questions about yourself, your income and credit obligations. Let us know how much you need and for what period of time. Then we'll work with you to arrange the very best repayment plan to comfortably fit your budget.

Try us. We don't want you spending more on a loan than you have to.

**For example, \$10,000 loan at 11% takes out for 60 months, the monthly payment would be \$217.14 and cost of the loan \$316.60. Rate subject to change without notice.*
