

### Praise for firemen

Dear Editor: We hear so much about emergency vehicles taking too long to reach their points of destination, that I thought it time to offer a public "pat on the back" to our Stouffville firemen.

On Thursday, as I passed the Stouffville Firehall on my way to work, the siren sounded. By the time I had passed through the intersection at Ringwood and was continuing along the Stouffville - Gormley Road, I observed the trucks immediately behind me. I pulled over to let them pass.

When I reached Woodbine Avenue, the firemen were already on the job. A tractor-trailer and several cars were involved; in what appeared to be a serious accident.

I tip my hat to these men. It gives me a warm feeling to know that, in times of real need, there are dedicated people available to provide assistance.

Stouffville's Fire Brigade is a credit to the community. We should all be justly proud of each member.

### Discover more gravel

Dear Editor: A recent discovery has been made in Uxbridge. It's yet another rare species of gravelatum-pitus extractus which I will just call a "rarey". However, this "rarey" has already grown to such proportions in and around Uxbridge that it is time for it to be destroyed. To do it, we must find a high hill (if there are any left in the township) and topple it to its demise. Hopefully, our mayor and council, in their wisdom, will be high enough. If not, we may have to destroy it by shoving it from a higher pinnacle — the Ontario Municipal Board. However, if that is not enough altitude, we must eliminate this "rarey" from the highest peak — the Provincial Government.

It may be a long way to tip-a-rarey, but remember, the bigger they are, the harder they fall.

Karl Winterstein,  
R.R. 4, Uxbridge.

### Thanks

Dear Sir: On behalf of the "Monster Bingo" Committee, I wish to thank The Tribune for the coverage provided this recent event.

The Stouffville Minor Hockey Association, the Girl's Hockey League and the Figure Skating Club are appreciative of your co-operation.
