

# A ceiling so simple it'll floor you.

It's SnapTrak. Probably the fastest, easiest way to install a beautiful suspended ceiling.  
There's no interlocking grid to set up. No hangers to cut and bend. No complex strapping or leveling.  
And SnapTrak is made of lightweight vinyl for easy handling and safe cutting.  
It allows easy access to all utilities.  
It requires just a 1 1/2 inch drop in ceiling height.  
It can be used with almost any panel material or texture.  
And for such a good ceiling, the price is surprisingly down to earth.

## SnapTrak

Another beautiful product from Westroc.  
Come see our booth at the Coliseum, Exhibition Place, Toronto, September 28th through to October 1st, 1978.

# Pickering beats novice girls

The season is finally over for Stouffville's all star Novice girls team, as they were knocked out of the playoffs by Pickering last week.

The girls put up a good fight in the full three game series, but Pickering proved to be just a little too much to handle.

## Soccer dance

To mark what has been overall a highly successful second year, the Whitechurch-Stouffville soccer league organizers are holding an "end of the season" dance at the Ballantrae Community Center.

The dance will take place on Friday, October 6 at 8 p.m. and it's the first of its kind for the league.

Tickets are already on sale and can be had from any of the club's coaches. Be sure to get your tickets soon.

In the first game Stouffville jumped out to an early 4-0 lead, only to see it narrowed to 5-4 after four complete innings.

In the fifth Pickering held the Recycling girls to just one run while they came up with three, to take a 7-6 lead.

However, Stouffville was able to fight back in the final innings to squeak out a 10-9 victory. That was the only win Stouffville was able to manage in the series.

The second game saw both teams scoreless until the third when Pickering knocked out five runs. Stouffville collected five of their own in the bottom of the third, but it was all Pickering after that.

In the next three innings the Pickering girls hit six runs to Stouffville's two, giving them a 11-7 lead.

It was a wild last inning in this game, as Pickering racked up seven runs, while the local girls hit for six, for a final score of 18-13 in

Pickering's favour. Stouffville was plagued with errors throughout the game.

Terri Piette and Jannette Cooper tallied three runs in the second game, while Pickering's Cindy McCarroll had four, Joan Dick, Joan Berger and Corinna Lueg three each.

In the final game Stouffville had a slim 3-2 lead after two innings. That changed rapidly in the third inning, with Pickering taking an 8-6

lead off of Corinna Lueg's homer.

In the fifth inning errors again hit Stouffville as Pickering pulled away with seven more runs and a 16-7 lead.

The Recycling girls didn't quit though, but they couldn't make up the difference. The final score was 18-10, giving Pickering the series.

Scoring for Stouffville was Jannette Cooper with three runs, Liz Crittenden and Elizabeth Gibbs two runs each.

For Pickering Joan Dick, Joan Berger, Corinna Lueg, Sharon Mumford and Kelly Devine each tallied three runs.

Members of the Stouffville Novice team are: Ann Lacoursiere, Jannette Cooper, Liz Crittenden, Terri Piette, Cheryl Simpson, Bernice Armet, Elizabeth Gibbs, Elaine Howie, Nichole Zvier, Cathy Crittenden, Monica Salter, Debbie Herd, Elaine Morgan and Laurie Thorn.

# Goodwood softball trophy winners named

The 1978 Goodwood minor softball association trophy winners were honored, Friday, at a banquet in the Community Centre.

Goodwood this year had seven teams playing in the Whitechurch-Stouffville house league; two t-ball clubs, Squirt girls, Peewee girls, Peewee boys, and two Squirt boys teams. They also had one Bantam girls team in the Port Perry league.

Competitors who won Most Improved player trophies and the team they played for were: Colleen Stewart, t-ball 1; Lorraine Williamson, t-ball 2; Jenny Stewart,

Squirt girls; Elaine Ashton, Peewee girls; Alice Stewart and Barb Warden from the Bantam girls; Jim Todd, Squirt boys 1; Billy Smith, Squirt boys 2; and Dale Yack, Peewee boys.

Those that captured the Most Valuable Player award and the team they played on were: Cory Ainger, t-ball 1; Kevin Taylor, t-ball 2; Gayle Jackson, Squirt girls; Karen Redwood, Peewee girls; Helen Stewart, Bantam girls; Steve May and Mike Knapp for the Squirt boys 1; Brian Kooige, Squirt boys 2; Steve Harper, Peewee boys.

Along with the MVP

# Arthur Rea wins final pigeon race

The final Stouffville pigeon club race of this year belonged to Arthur Rea's birds, as they captured four out of the top five spots, including first place.

The race, from Ramore, saw Rea's winning pigeon come in with a 1329.76 yards per minute speed. His third, fourth and fifth placed timings were 1283.36, 1281.74 and 1281.74 respectively.

Only Sid Page was

able to break into the top five, coming in second place with a speed of 1288.26.

At the bottom half, Charlie Jackson placed sixth, timing 1277.34. Seventh went to Sid Page at 1271.12 and eighth and ninth place was taken by Lawrence Breckon with times of 1254.19 and 1237.94.

Karl Winterstein managed 10th spot with a time of 1225.24.

The club will be back at it again next May.

and most improved awards, the Association also presented the Lynn Jackson Memorial Trophy to the male and female player voted most sportsmanlike during the past year.

This year's winners were, Kim Tindall from the Bantam girls team, and Rod Pratt from the Squirt boys 1 team.

# Bowling scores

The fall season has officially opened with the beginning of a new year of bowling.

Things got underway last week in the Legions Ladies league. Lois Bartley took top spot with a 689 (200, 260, 209) triple.

Other scores were: Georgina Sleeth, 602 (241); Glynis Yorke, 251; Ruth Winterstein, 234; Anne Jackson, 219; Marion Grove, 218; Mitzi Aida, 218; Aldine Sinclair, 216; Mae Budd, 204; Karen Foote, 203.

# Disappointing bike-a-thon

Disappointing is the only word to describe last Saturday's Claremont Lions bike-a-thon.

The first year for the bike-a-thon attracted only 14 riders, and organizers

were wondering whether or not to return to the walk-a-thon for next year.

All riders completed the 25 mile course, which began and ended at the Claremont Park.

Pledges are expected

to reach approximately \$1,000 half of which will go to the Lions club, the other half to the charity of the individual rider's choice.

Brian Carruthers

came in first, doing the course in three-and-a-half hours. In second place was Lance Redshaw, 11, and there was a tie for third between David Noble, 11, and Steven Spencer, 11.

Andy Grant, of CKLB radio station in Oshawa, stretches and leans to try and grasp the baseball that was just out of his; and the photographers, reach. The action was at last Friday's donkey baseball game at Altona Community Centre that featured the radio station against local celebrities. Andy had a lot of trouble with his donkey, who more than adequately lived up to his stubborn reputation. The game, which ended in a 1-1 tie after regulation play, was won by Ross Norris of the Altona side as he came in first in the donkey race at the end of the game. — Keith Bolender.
