"The Girl Next Door"

Gail's a Prefect

BALLANTRAE — Gail Johnston's a Prefect at Stouffville High. This position of responsibility is held in high regard by students and staff. Gail takes it seriously, assisting at Friday night dances and, on occasions, taking over the supervision of a lower room should an emergency replacement be required. Heading up the Prefect program on the administration side is teacher Lin Jones.

"He's super," says Gail.

The pretty 18 year old, our "Girl Next Door", resides on Jasmine Crescent, Ballantrae. She has a brother, Lance, 23 and a sister, Laura, 19.

Until four years ago, Gail lived at Brougham. Like so many her age, she was caught in the merry-go-round of the elementary school system, attending at Brougham, Brock Road, Audley and Greenwood. Her parents, Mr. and Mrs. Grant Johnston, moved to Ballantrae in

time to have her enrolled at S.D.S.S. for the start of Grade 9.

"I really like it," she says. Best subjects are English and Sociology. She obtained a credit in the latter while in Grade 12 and may major in that course at university following graduation.

Being dependent on an early bus limits her participation in extra-curricular activities," she points out. She finds time, however, to assist behind-the-scenes with the annual Variety Show.

Away from school, Gail enjoys "growing things". She has a room full of plants. She also goes for walks in a nearby woods or rides her bike to the home of a close friend, Christine Christensen on the 7th concession, a mile to the west.

Gail is a self-taught pianist and plays for her own enjoyment. "I plunk away," she says.

Travel-wise, she's been to California and Florida. Some day soon she hopes to visit British Columbia.

'Wine and White'

Tennis teams perform well

By MARY-JO SUTHERLAND
Happiness is...playing tennis, of course! At least that's what it means to the "Wine and White" tennis team, recent competitors in the York County Tennis Tournament at Seneca College. The brother and sister combination of Chris and Kathleen Kamps (Jr. Mixed Doubles) and the team of Scott Frisby and Dave Sibbick (Jr. Men's Doubles), did extremely well. Unfortunately, both were defeated by a narrow margin in their second match. Excellent showings were also put forth by the other team members — Jackie Armet (Jr. Ladies Singles); Terry Alexis (Jr. Men's Singles); Melissa Paterson and Sue Smith (Jr. Ladies Doubles); Michele Waite and Dave Rehill (Sr. Mixed Doubles); Ann Louise Nielson and Gyl Langley (Sr. Ladies Doubles); Eric Lavictoire and Ted Waite (Sr. Men's Doubles).

Last week, the Sr. Boys' volleyball team travelled to Fenelon Falls to participate in an exhibition tournament. They lost their first three games to the host club but won two out of three contests with North Hastings. The team is breaking in three rookies this year — Paul Boynton, Dave Dart and Richard Reesor. Coach Rehill and his boys are working hard trying to duplicate previous season performances. The coach of the Jr. Boys is Ken Benson; the Midget Boys, Dave Rehill and the Grade 8 Boys, Mr. Rehill.

The Jr. Girls basketball team got off to a sensational start with an 18-8 win over Pickering. This was followed by a 25-6 victory over Sutton. The leading scorer was Kathleen Kamps with ten points. The Sr. Girls lost to Pickering but came back to defeat Sutton 43-11 in an exciting game.

In a great match against Huron Heights, the Jr. Boys' soccer team downed their opponents 3-1. Local stars were Garry Carr with two goals and Ian Sinclair with one.

In the latest report from the "Run For Fun Club", Nedene Smith leads with seventeen miles. Paul Boynton is second with 13 and Mark Tranter third with twelve.

This term, S.D.S.S. is pleased to welcome two new students, Carmen Bohme and Axel Glemser on exchange from Germany. They are staying at the homes of Robin Doan and Mike Forfar. Next spring, our students will be travelling to Germany to stay with their new-found friends. We wish Carmen and Axel well here in Stouffville.

S.D.S.S. is participating in the United Way Campaign this fall. A spokesman for the organization will be visiting the school shortly.

On Friday, the annual initiation of the Grade 9's took place. After a full day of 'slavery', especially for the Grade
