

Klaus and Rosanne Fritzsche, now of Aurora and former students of Stouffville Dist. Secondary School, attended a Class of '68-'73 reunion in Latham Hall, Saturday night. Klaus and Rosanne (Kamps) met at a school Valentine Dance six years ago. They were married this summer. —Jim Thomas.

Class of '68-'73 Student reunion

STOUFFVILLE — Grade 9 class of '68 including many of the Grade 13 graduates of '73, held a reunion, Saturday, at Latham Hall.

The gathering brought together about fifty former students of S.D.S.S., some from a distance.

One such couple was Klaus and Rosanne (Kamps) Fritzsche. They met at a school Valentine's Dance six years ago and were married this summer (July 15). Was it love at first sight?

"We danced together most of the night," recalled Rosanne, "but he didn't take me home". That was to follow. Klaus

drove a 1968 Volkswagen at the time.

In the years since, Klaus attended Waterloo University, graduating with a degree in Mechanical Engineering. He's presently employed with a machinery manufacturing firm at Concord.

Rosanne took a position in a Stouffville bank, then returned to school. She's currently in her final year of a Landscape Technology course at Humber College. They live in Aurora.

Bryan Williamson, a classmate at Stouffville and a room-mate at Waterloo, was Klaus' best man. Hilda McKinley, a

close student friend, was a guest of the bride.

Their honeymoon was to Sault Ste. Marie in a V.W. camper.

This is only one of many stories to be told from the Grade 9 class of '68. Others undoubtedly unfolded Saturday evening — ten years of pleasant memories recalled.
