The SDSS senior girls basketball team thrashed their Aurora opponents 62-10 in a game last week. Above is action from that game, as the Stouffville player goes up for two points. Judy Sackfield led the team with 24 points, while both Peggy and Beth McBride tied for the second highest point total, each collecting nine. The victory gives the seniors a two win, one loss record so far in the season. The junior girls also were successful against Aurora, knocking them off 30-13. Keith Bolender

Girls league will go

Despite all the problems of the past few weeks, the Stouffville girls hockey league will be going again this year.

After last weeks registration, the league has signed up 75 girls, still short of their 100 player mark.

However, according to Cliff Dunkeld, organizer, there will be a number of girls coming from the Uxbridge-Goodwood area, to round out the teams.

The league will also be holding continuous

registrations on Sunday evenings in the arena for those that haven't signed yet.

Cliff commented that the league is still in need of eight and nine year old players. "If we get enough from that age group we will be able to run complete lines of that age, so an eight year old won't have to go up against a 14 year old. Hopefully the parents will

realize this and start signing them up." The girls league is also planning to run an open-age ladies team, playing strictly in the house league division. The team is now taking registrations for those interested.

And the league is holding their coaches and executive meeting next Tuesday, Oct. 10 at Latham Hall, 7:30 p.m.

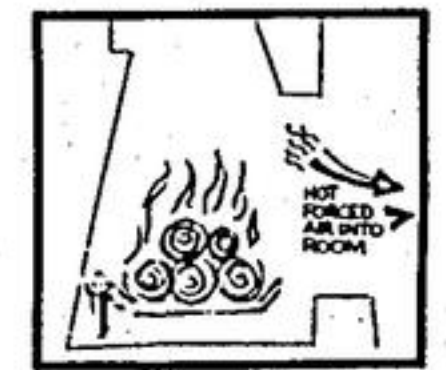

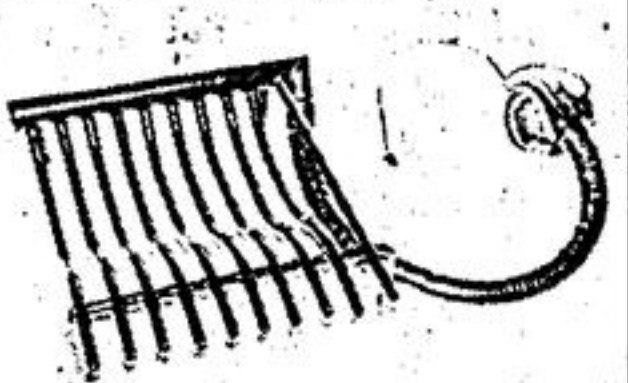

Equestrian centre tour

The Eglinton Equestrian Centre in Thornhill will be having an Open House this Sunday, Oct. 8 from 12 noon to 4 p.m.

The Centre, located at John Street and Don Mills Road, will be featuring a horse parade, free pony rides for the kids and a tour of the stables.
