Bias-Belted Snow Tires TORNADO White-Letter

A70-13 White Letter

3690 Each

Two or more after discount* **3315** Each

Extra-wide belted winter tire pulls effortlessly through heavy snow and ice. 2 Glass belts provide a rigid tread face for sure-footed traction; 2 Polyester plies ensure a smooth, quiet ride. With bold White side lettering — White trim stripe on reverse. The Tornado 600 (60-series) is an even wider, tougher snow tire with 2 Kevlar belts (pound-for-pound, Kevlar is 5 times stronger than steel) atop 2 Nylon plies for real muscle car looks, super performance.
