Sports in spotlight

By MARY JO SUTHERLAND
.....And now for the sports brought to you directly from SDSS! Last week our Senior Boys' Volleyball team made a home appearance playing host to Courtyce High School. The boys knew they were really in for some tough competition as Courtyce is one of the ten best high school teams in the province. They also knew this fact

from first-hand experience as our Spartans had played them five times so far this year, winning once and losing four times! Well, the guys got it all together and were able to win two of the four games. Our Junior Spartans were also in on the action and defeated the Courtyce Junior team three games to two.
The Run For Fun top runners of the week in-

clude Mark Tranter with sixteen miles, Christine Green, fifteen miles, and Nedine Smith thirteen miles. So far this year, Nedine is holding the lead with a total mileage of sixty-seven!

The champion Grade 8 Girls' flag football team was declared last week. The victors, coached by Ingrid Assinck and Marg Altchison, include Ginny Eby, Lia Sainsbury, Brenda Davis, Ann Murphy, Brenda Giasson, Elaine Howie, Jackie Chung and Penny Ross. Congratulations, "Argottes!"

The Grade 8's have certainly started "Football Fever" as both a Junior and Senior Intramural Flag Football League has been arranged. An intramural league is a tournament which involves a "battle of the Phys-ed classes" and takes place after school. The winning team members receive a T-shirt labelled "champs". Throughout the year a variety of intramural

contests take place providing competition for those students not involved with inter-school teams. In order to give you an idea of S.D.S.S.'s love for football, in the Junior tournament held last week one hundred and forty Year 1 and 2 students participated eagerly!

Last week, the Junior Boys' soccer team met their roughest opposition yet—a team combined of teachers and senior students. Even though they "outclassed" their opponents, they failed to achieve victory. It seems "Lady Luck" was the key to the senior team's success.

Already there is an air of excitement filling the halls of SDSS. The occasion is none other than the return of "Max Webster" to our gym on Friday, October 27. As this band has finally made it to the "big-times" they have stated that this will be their last high school performance in southern Ontario.

Hockey for girls is a fun thing

Dear Mr. Thomas:

After being involved in girl's hockey here in Stouffville for the past four years (since our humble beginning), and now starting the fifth, I was shocked at the cartoon in the Oct. 12 edition of The Tribune. What game has the cartoonist been watching to give the impression of rough play? Has your own daughter ever come home scraped, bruised and with her clothes torn? The league started as a fun thing and still is.

opinion, was ill-timed, since earlier we had a lower - than - expected registration and a lack of participation. Thankfully, we are now into another fun-filled season with more new recruits and most of the originals back. We look forward to seeing more people at the Arena Sunday evenings to watch the games.

Girl's hockey good recreation

Dear Sir:

A number of people have worked very hard during the last four years to establish girl's hockey in Stouffville.

The cartoon, Oct. 12 in The Tribune, sure doesn't help these efforts. I wish the cartoonist (and anyone else who feels this way) would drop down to the Arena and see the girls in action. Let's not knock a sport that provides enjoyment, recreation, exercise and something to do on a Sunday evening.

Right now, we don't have enough coaches, managers, referees or girls. Your cartoon sure isn't going to help the situation. Our girl has played hockey here for the past four

years and we've yet to see her come home looking like the one in the picture.

A girl can be injured far worse on a 10-speed bike than on the ice, Sunday evening. They're out there strictly for fun.

I repeat, come out and see for yourself; talk to the kids. Don't knock something you know nothing about.

Doug Rex-Graham,
Coach and referee.

Editor's Note: Cartoons should never be taken seriously. The element of exaggeration is meant for effect. If you, the executive and the players considered it in bad taste, we apologize.
