

Ooops, just missed! Style and grace is an important aspect in a football game, as evident by the above photo at last week's SDSS flag football tournament. The receiver, with the ball having just slipped through his fingers, leads the way in striking a dramatic pose, as the others at either

side try to outdo him. The tournament at the high school saw class 2N01 emerge as the boys championship team, with the girls' grade nine class, 1N03, taking their respective title. Twelve teams competed in the tourney. —Keith Bolender

Clippers are back on track

Stouffville's Ken May Clippers, after a poor opening game, are back on track with two wins in three matches. The Clippers captured their first win of the season last Tuesday, knocking off Uxbridge 8-5. The club was led by Steve Schell's three goal, two assist performance. In the game Uxbridge took an early 1-0 lead on a power play goal, only to see that lead vanish when Steve Schell notched his first tally, an unassisted effort.

Steve then scored his second on a perfectly set up power play pass from Howie Jones and Bill Meakes to end the first period. In the second Stouffville picked up two quick goals, one from Bill Meakes, again on the power play, the other from Todd Pascoe on a screen shot from Steve Schell.

On Friday night in Lindsay, the Clippers continued their winning ways with a tight 6-5 victory.

Fourth place

John Kornees of Stouffville placed 4th out of 36 entries in a Big Brothers' Car Rally, Sunday. John's "little brother" is Ben David. At present, there are 35 "little brothers" awaiting a father image in the Region of York. Any gentleman willing to help out in this very worthwhile cause is asked to call Laurie LeBlanc at 727-1251.

With a 4-1 lead, the Clippers let up somewhat and Uxbridge took quick advantage, scoring three goals and tying up the game.

It wasn't for long though, as Bruce Rugelis picked up a rebound from Howie Jones and shot Stouffville into the lead. Steve Price ended the second period with a goal from Mike Kloepfer and Al Sprague.

Steve Schell completed his hat trick as Stouffville was finally able to put the game away in the third. The teams then traded goals to end the game, with the Clipper's last one from Al Sprague, again on the power play. Mike Kloepfer and Bruce Rugelis assisted.

Lindsay got the only goal of the first period, but it was just 16 seconds into the second that Howie Jones picked up a pass from Mike Kloepfer, skated through the Lindsay team and tied up the game.

However, only 19 seconds later Lindsay came back to take a 2-1 lead. The Clippers tied up the game on a tremendous shorthanded effort, as, with Steve Price in the penalty box, Al Sprague picked up a loose puck in

the Lindsay end and popped one by the surprised goalie. In the third period the Clippers came out flying and hit Lindsay for four unanswered goals.

Naz Nicastro from Bruce Rugelis and Al Sprague started things with Steve Schell from Al Sprague and Bill Meakes also helping. The third goal of the period went to Gary Masters from Steve Schell and Jim McKay, while the final Clipper score was picked up by Howie Jones from Steve Price and Steve Schell. However, with their 6-2 lead the Clippers again let up and allowed Lindsay back into the game. With only three minutes left Lindsay popped in three goals for the final 6-5 score.

The third game of the week for the Clippers came last Saturday, in a rematch with the Uxbridge team. This time the Clippers, showing a lacklustre offence and defence, went down to a 5-2 defeat.

The Clippers fell behind 2-1 in the first, Howie Jones scoring from Bill Meakes and Steve Schell.

The Clippers next game is this Saturday, Oct. 21 as last year's champions from Bowmanville come to town. Game time is 8 p.m.

Rough opener for Peewees

The Stouffville Peeewe A's ran into a rough club from Bowmanville in their opening league game last Monday, and went down to a 5-0 defeat.

The Peeewe's, with only one player returning from last year's squad, were simply overwhelmed by the more experienced Bowmanville club.

The game was extremely tough, as Bowmanville was assessed 10 penalties to Stouffville's three. Stouffville player Mike Anderson was taken to hospital with a suspected

broken shoulder after been checked by a Bowmanville opponent. Stouffville came alive somewhat in the third period, and had a few good scoring chances, but were unable to connect.

The next game for the Peeewe's is tomorrow (Friday) night in Port Hope. The club returns to Stouffville for a Monday night match against Lindsay, game time is 8 p.m.
