people like Bob Dart, Ken May and Harry Schell, who not only sponsor, but encourage, inspire and lead by their very fine example. Or people like Cliff Dunkeld, who, as OASA convenor, played perhaps the most vital role in bringing Whitchurch-Stouffville its first-ever OASA Juvenile B championship. Then there are the special fans, the ones that travel to tournaments, to league games away, to Kirkland Lake, not because they have to, but because they want to show their support. Thank you Mr. and Mrs. Bill Dart, Mr. and Mrs. Sellers, Mrs. Grove, Mr. Bowes, Mr. Honsberger, Mr. Clark, Mr. Baker, Mr. and Mrs.

Crowder and the many others too numerous to mention. Special thanks to the girlfriends, who, in one summer, learned to love, then hate, the game. We couldn't have won it without your patience, understanding and support. Special thanks to Bill Shannon who was always there, to Mayor Gord Ratcliff, and to the Stouffville Lions club. Finally, to the mothers and fathers, whose love, patience, and understanding kept us going when the going got tough, we love you and we thank you because we couldn't have reached our goal without you. So, our once-in-a-lifetime team reached its ultimate goal and we

know as a group we shall not pass this way again. We were extremely proud to have represented Whitchurch-Stouffville and so very pleased to have done it in a manner shown us by the people who followed us. Our championship belongs to the people we've mentioned as much as it does to us, and in our small way, we'd like to say thank you. Sincerely yours, The Stouffville Juvenile Softball Team.
