"Our Girl Next Door"

Deb's moving up

By Jim Thomas
STOUFFVILLE — "I want to work up." "UP" is a goal Debra-Lynne Castle has set for herself and she's well on the way. Debra or 'Deb' to her friends, is an estimator with the firm of K. J.

SDSS Commencement Stouffville Dist. Secondary School is holding its annual Commencement Exercises, Friday, Nov. 10.

Poppy Week
Poppy Week begins Nov. 4 and extends through Nov. 11. Buy a poppy and support a very worthwhile work.

Plan bake sale
The Whitchurch-Stouffville Block Parent Association is holding a bake sale this Saturday beginning at 9:30 a.m. on Main Street in front of the I.G.A.

Beamish Construction Company, Bayview Avenue, Thornhill, and while she enjoys the work, she's anxious to broaden her knowledge. That's why she's enrolled in a night course on Construction Management and Organization at Centennial College.

Deb is our "Girl Next Door".

Born in Stouffville, the daughter of Mr. and Mrs. Fred Castle, she has one brother, Ron, married and living in Uxbridge. Debbie resides at 300 Sunset Boulevard.

Since graduating from Grade 12 at S.D.S.S., she's held several positions including waitress jobs at the Deer Park Inn and the Stouffville Restaurant and work with three other construction companies. At age 20, Debbie "does her own thing" with activities ranging from managing a girl's

hockey team to participating in cross-country car rallies. Other interests include skiing and snowmobiling.

She has her driver's licence and buzzes about in a sporty Plymouth Arrow.

On the subject of travel, she's been to Manitoba, Nova Scotia and Mexico; the Mexico trip while still in school.

Why the interest in girl's hockey? I asked. "I didn't want to play, but still wished to get involved," she replied. She manages a team called Gormley Greenhouses. "I like it," she said, "they're a fine bunch of kids"

"Wine and White"
Cross-country

By Mary Jo Sutherland
On your mark; get set; go!
These were the words that triggered a stampede of 332 students on the annual Intramural Cross-Country Run. The individual first place winners were - Christine Green (Year 1) and Larry Fockler (Year 2) in the Jr. Division; Gyl Langley (Year 3) and Mike Salb (Year 5) in the Sr. Division. However, for the team to win, there had to be a superb effort displayed by all members, both girls and boys. Gym class (Year 1 - No. 1) was able to do this as

Home for sale
The quaint home, owned by Ron and Ethel Wilson at 51 William Street, Stouffville, is up for sale. Ken May Real Estate has the listing. Ron and Ethel collect and refinish antiques. They'd like a larger place in which to accommodate them. They also own a horse that is presently boarded out of town. They'd like to bring it 'home'. Ron and Ethel purchased the house back in 1969 from the estate of the late Muriel Lane. It was built for her in 1934. Norrine McGuckin of Stouffville is handling all offers of purchase and arranging inspections by appointment.

40th anniversary
Congratulations to Mr. and Mrs. Walter Vague on the occasion of their wedding anniversary. On Saturday afternoon, friends and relatives celebrated the event at the home of Gertrude Morgason.

they emerged as Jr. victors. The Sr. Championship was awarded to Year 3 - No. 2 in what can be described as a "close" race. Congratulations to all students who participated and showed such great school spirit. Remember last Thursday, rainy and cold? The S.D.S.S. cross-country runners proved their stamina against the weather. They travelled to Vivian Forest to take part in a meet. Our Sr. Girls' team ran their 2½ mile course superbly and, as a team, finished second. The Sr. Boys also put forth a good effort. They completed their 4½ mile trek in third place. Team winners were - Lisa Naden, Gyl Langley, Christine Green, Meg VanVilet, Mildred Stanley, Nedene Smith, Andrea Dicks, Brian Taylor, Dan Maillet, Mike Salb, Andre Ertl and Mark Tranter.

FOOTBALL FEVER
Last week, the senior students experienced "football fever" in a action-packed tournament. Each team played four 10-minute games. In both the Girls' and Boys' Divisions, a Year 4 team captured championships. A special word of congratulations to the male teachers' team. They put up a valiant effort, placing third!

DEFEAT SUTTON
On the basketball courts, both the Jr. and Sr. Girls won outstanding victories over Sutton High School. Top scorers for the Juniors were Janette Cooper and Gloria Mintz. Ruth Eby and Carol Whale were outstanding for the

seniors. Our Jr. Boys' soccer team tried desperately to beat Aurora in their final game of the season, but lost by a narrow score. Congratulations to all for a fine soccer season. **SOME END-OTHERS START**
Many of the early fall sports are drawing to a close only to be replaced by athletic activities of another kind including judo, curling, gymnastics and wrestling. Some are already "thinking snow". The ski team is making plans for the winter.

HOST "ORION"
On Friday, the Christian Fellowship Club hosted a dance featuring "Orion", a gospel rock group. Stay tuned for such dances in the future. All are welcome to come out and join in the fun.

TWO DAYS TO GO
The count-down continues. Only two days left until "Max Webster" comes to town!
