KEVLAR

Hiway-Byway Radial Belted with KEVLAR

DuPont's mighty Kevlar fibre allows a construction that provides all the handling characteristics of Steel radials without their harshness. With BPT (Big Paw Traction) Tread you get stud-like grip on ice and snow. Polyester casing gives a smoother ride.

Hiway-Byway 2+2 Glass-Belted Nylon

This big, belted snow tire, with Hiway-Byway tread, really makes fun of winter driving. 2 DuPont 66 Nylon plies for added safety.

'Giant' 4-ply Nylon

The Hiway-Byway, with its 4 rugged plies of DuPont 66 Nylon, is a big performer among traction tires. A deep-molded, self-cleaning tread gives sure-footed traction for plenty of extra pull through deep snow. Corded cross-plies are laminated for strength yet still deliver a smooth, comfortable ride.
