

Hounds edge Kinsmen 7-6

By JIM HOLT
STOUFFVILLE — The crowd of close to two hundred and fifty certainly received value for money at the arena on Saturday when the Kinsmen met a very polished team of CFTO's Bassett Hounds in a charity game on behalf of the Cystic Fibrosis Association.

The first period saw the Hounds come on like gang-busters tallying four goals in fifteen minutes. Bill Hassard opened for the Kinsmen, with an assist from Ted Assnick and Bud Lohman. Three minutes later Bob Hassard, on an assist from Ted Assnick and Ken May, popped in number two and at the end of the first it was 4-2.

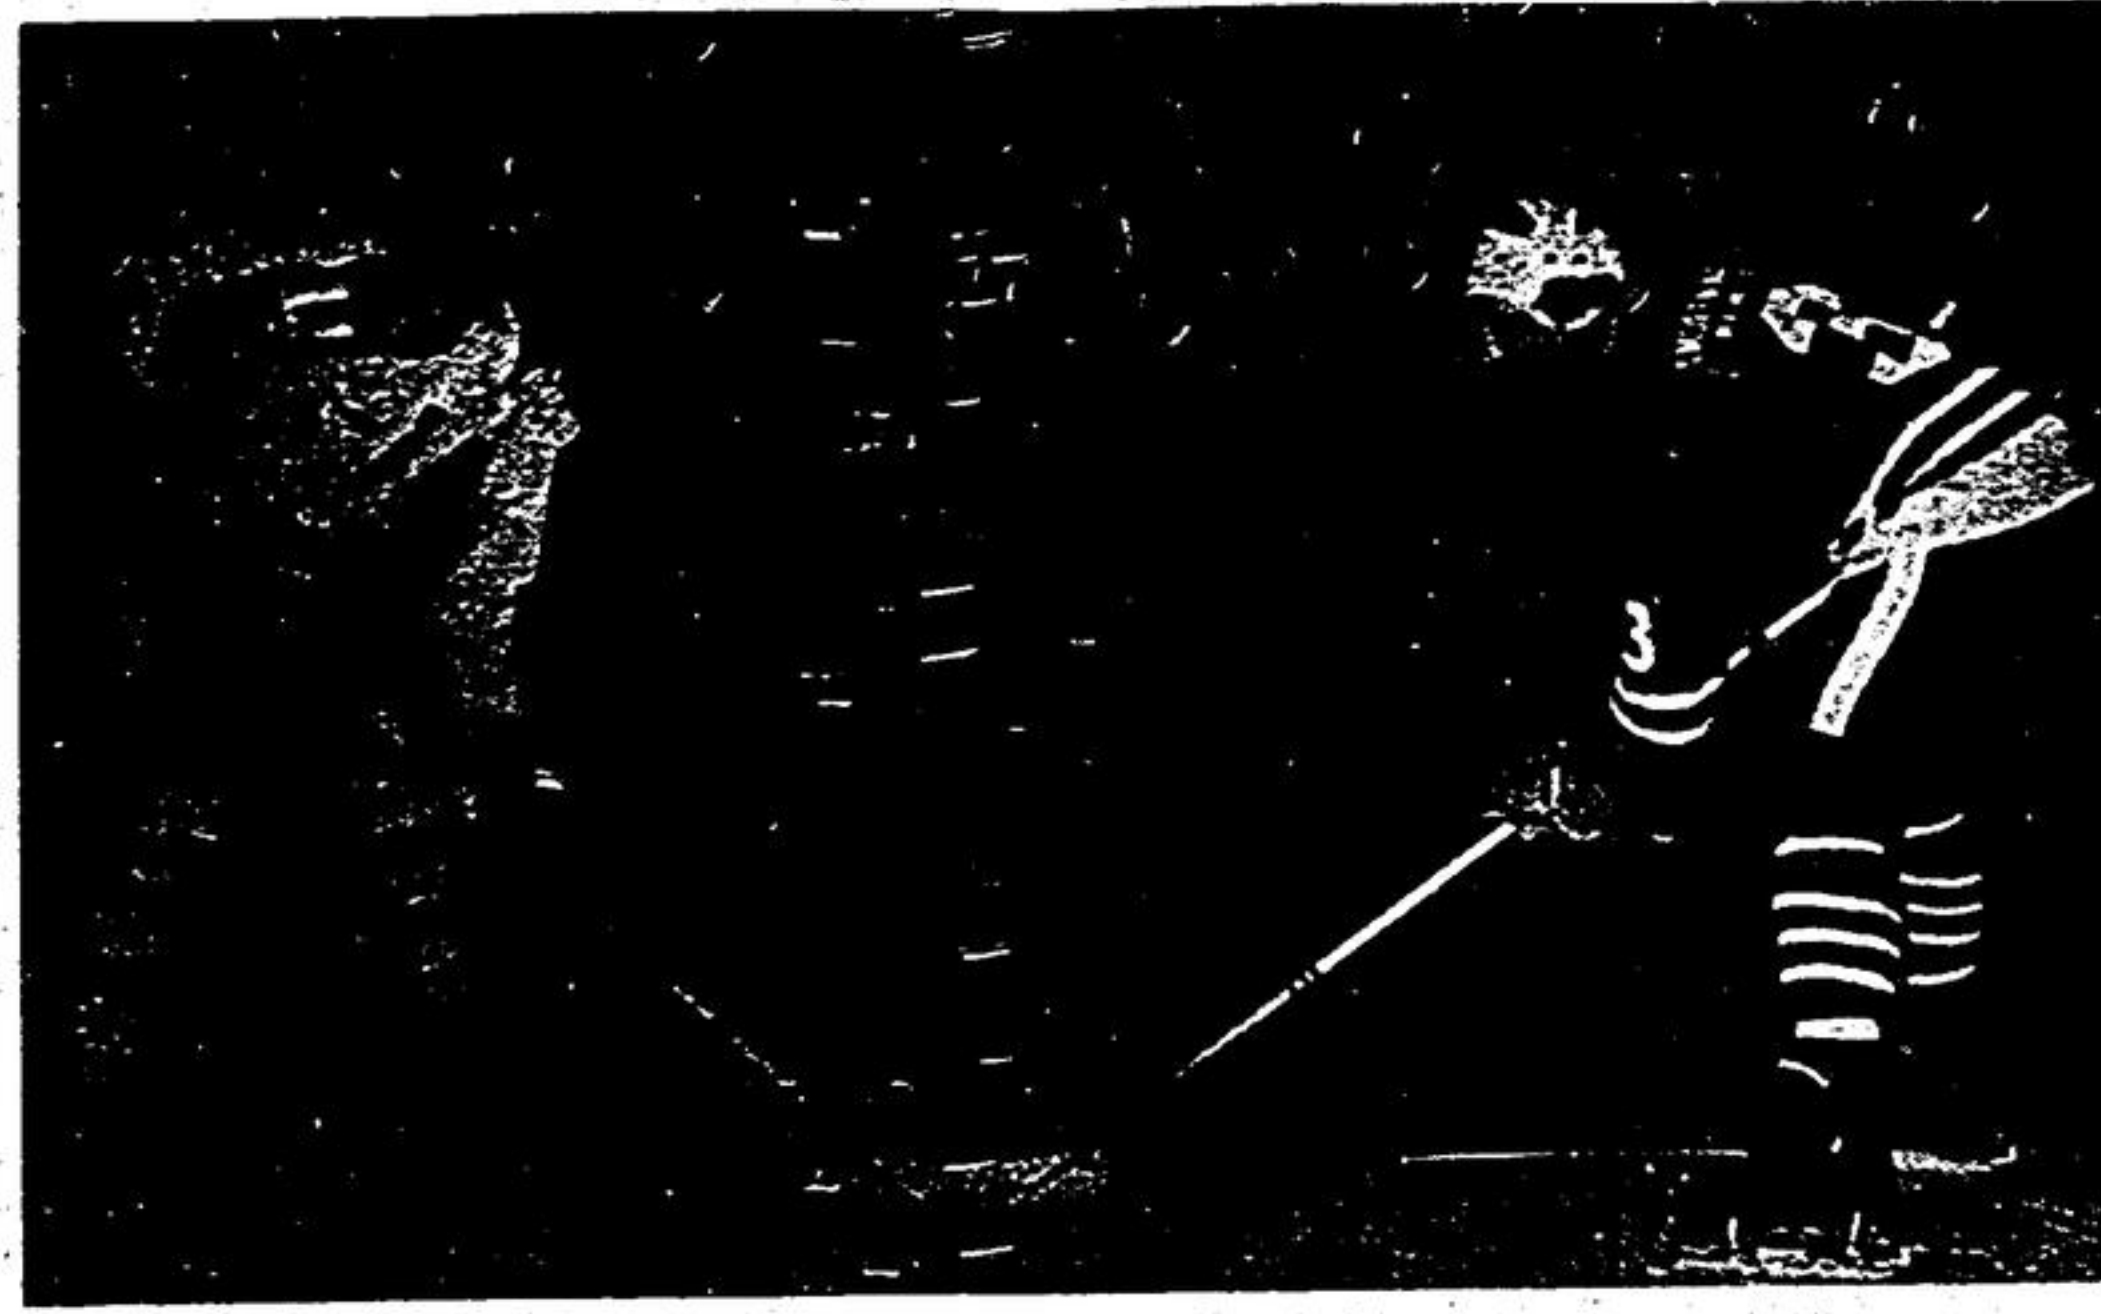

The Hounds also took the second period 3-2. However, contrary to the expectations of most, the Kinsmen did not run out of steam, notwithstanding the fact that the visitors had more than a good edge in average age. At this stage of the game there was a distinct slow down in the Hounds effort and it was obvious that the opposition was a little tougher than expected.

Something of a reversal of roles took place in the third period when it was the turn of the Kinsmen to play gang-busters.

It was the same Hassard-Assnick combination that gave the Kinsmen their additional two goals in this period, bringing the total to 7-6 for the Hounds.

In the closing minutes of the game it looked as if the Kinsmen might just tie it up, with a fantastic battle going on in front of the Hounds net and the Kinsmen pulling out every shot in the book. However, it was not to be and the Kinsmen went down to a very honourable 7-6 defeat.

Perhaps next time!
