## Hold Week of Prayer

During this week, January 7 to 14, the churches of Stouffville are observing a Week of Prayer. At services on Sunday January 7, each person was given a list of prayer concerns for the town of Stouffville, and challenged to set aside a period of time each day to pray for these concerns. These include the family; children and schools; senior citizens; those in positions of authority; those who serve and pray for the unity of the Christian Church. The list was prepared and distributed by the Stouffville Ministerial Association. It is hoped that through this Week of Prayer, each church member will feel a renewed commitment to prayer, and a deeper concern for the needs of this community and the ways in which all the various churches can minister to the needs of Stouffville.

MONDAY, JAN. 8: Pray for the family, the cornerstone of our society which in the coming year will face many challenges. Pray that God will bring ways of enriching the life of your own family, and pray that the families of the area who are facing grave problems will come to know the strength of the love that is the Christian hope.

TUESDAY, JAN. 9: Pray for the children and young people of the area, that they might grow in body and mind and spirit. Remember in prayer the Schools in their difficult tasks: pray for the principals and teachers that they might always encourage our young people to reach their potential. Pray for concerned parents who seek constantly to ensure the best education possible for all children.

WEDNESDAY, JAN. 10: Pray for our Senior Citizens that they not be forgotten or neglected during this year. Remember the homes for Senior Citizens of our area, the Administrators and staff of these homes. Perhaps this would be a good day to follow your prayer with a call to an older person you know.

THURSDAY, JAN. 11: Pray for those in positions of authority. Pray for our new mayor, Eldred King and the council of 1979, that they be filled with wisdom and understanding and patience. Pray for our provincial MPP Bill Hodgson and our federal MP Sinclair Stevens as they represent us in the important decisions that are made daily.

FRIDAY, JAN. 12: Pray for all who serve us in Stouffville — the police who protect, the volunteer fire department, the doctors, lawyers, merchants and business men, those who give of their time to provide recreation opportunities, the librarian. Perhaps this would remind us that as we pray for those who serve us, we should follow up our prayers with a heartfelt "thanks" whenever we have the chance.

SATURDAY, JAN. 13: Pray for the unity of Christ's family, for an outpouring of the love "that passes all understanding" that will bind every Christian with every other as a brother or sister. Remember in prayer the Ministerial fellowship of area clergy.

SUNDAY, JAN. 14: Today, pray for the larger vision, the outreach of God's compassion for the whole world, for all creation. Pray for pastors, missionaries, teachers all across the earth. Remember the hungry, the sick, the destitute, those imprisoned for their faith, for all God's children.

SUNDAY, JAN. 7: Pray for your own congregation in its Christian witness and pray for the other congregations of this town and area, that every church might know a deepening of faith and growth in the Spirit during 1979. Pray that

newcomers to this area will find a home in one of the Christian fellowships of the Stouffville churches.
