

"Girl Next Door"

Pat's a skilled gymnast

By Jim Thomas
STOUFFVILLE —
Gymnastics is a form of recreation requiring hours of practice and considerable skill. Watching 17 year old Pat Linley in action is proof that time plus talent equals perfection.

Working through the "Y" branch at Richmond Hill, Pat and her co-instructor, Kim Morley conduct classes for 3 to 5 year olds at St. Mark's and 6 to 12 year olds at Orchard Park. She enjoys the sport and working with the kids. Following graduation from S.D.S.S., she wants to be a primary teacher.

Pat's our "Girl Next Door". A native of St. Catharines, Pat moved to Stouffville three years ago. She has two sisters, Terry, enrolled at the University of Guelph and Frances, a student at Lakehead University, Thunder Bay.

Pat's involvement in sports goes far beyond the teaching of gymnastics. She loves to ski (both cross-country and downhill); holds a bronze certificate in swimming; enjoys skating, plays tennis, the list goes on and on. Pat admits she's very close to her grandfather. "We're great pals," she said, "he's a super guy". Because of this association and her grandfather's interest in race horses, the sport's "rubbed off" on her. She likes nothing better than spending time at Lindsay where the horses are kept or attending country fairs where race meets are held. Although she's taken over the reins at warm-ups, she's yet to participate in an actual race.

On the travel circuit, Pat's been coast-to-coast in Canada and as far south as Myrtle Beach.

Seventeen year old Pat Linley is a Grade 12 student at Stouffville High. In addition to being a skilled gymnast, she enjoys downhill and cross-country skiing; swimming, skating and tennis.

During her three years at Stouffville High, she's maintained honors academic standing, a standing she hopes will continue in Grade 12. Favorite subjects are English and Physical Education. For those who haven't met Pat personally, she's a part-time employee on the staff at Canadian Tire in Stouffville. "I enjoy working there," the manager (Grant Larmer) is a great guy". Last, but far from least, is Pat's steady boyfriend, Atis Paulens, lives at Stouffville, R.R. 2.

Girls set pace

By Mary Jo Sutherland
Chalk one up for the ladies! Recently, our Sr. and Jr. Girls' Volleyball teams played host to Huron Heights and Aurora High Schools. The Sr. team played superbly and defeated both visiting teams as a result of their improvement in the field of bumping and defense skills. An important fact to remember is that each game consists of three matches; the best two out of three wins. Each match goes up to fifteen points and in order to win you must be at least two points ahead of your opponents.

Our Jr. squad also had a great day. In the first match against Huron Heights, Usha Knabe served fifteen points consecutively, leading the girls to a well-deserved overall victory. Against Aurora, the girls were required to play a third game and unfortunately lost by a narrow margin. Congratulations to both teams for their excellent achievements.

The Jr. and Sr. Boys' Basketball teams have also been active on the courts, but have had trouble "getting it together." The Juniors recently lost 67-36 against Huron Heights. Mike Rehill played superbly and scored twelve points. Chris Kamps was the leading SDSS scorer with a total of eleven points in the game against King City; however, the boys were defeated by a narrow margin.

The Seniors displayed fine team work and basketball techniques in their game against King City recently. As a result, they emerged as victors. Last Tuesday our school choir, led by Mr. Rehill, travelled to the Masonic Hall in order to provide the entertainment for a "special" Senior citizens luncheon. Residents from the Stouffville Nursing Home, Green Gables and the Sceptre Nursing Home were present. In the near future, the choir will be doing a one half hour tape for The Stouffville Show, viewed on channel 10.

Remember the recent article which discussed students involved in out of school sports at the national level? Well, SDSS is proud to add one more to its list! Cindy Wilson and her partner, Glen Budeligh from King City placed first in the Novice pairs at the Divisional Championships of the Canadian Figure Skating Association held in Montreal.

Hair salon at Ballantrae

BALLANTRAE — Ballantrae is to have its own family style hair-dressing salon, opening Jan. 22 in the Ballantrae Plaza. It will operate under the name of "Country Hair".

The salon will be operated by a local resident Mrs. Josephine Monk of Cherry Street. Mrs. Monk, with sixteen years experience in the hairdressing business, came to the conclusion that it was about time Ballantrae had its own salon.

Initially the business will be open from 9 a.m. Tuesday to Saturday and closing hours will be kept flexible so as to accommodate late arrivals.

Prior to going into business for herself, Mrs. Monk was employed by Eaton's, as a color and perm technician, and is bringing some fresh ideas on how a salon should be designed. For instance, it will be divided into two separate departments for men and women as she feels there will be less self-consciousness and such an arrangement will be more acceptable to customers, promoting a more relaxed atmosphere.

Choose your plan of a lifetime.

The whole idea behind Credit Unions is people helping people. That's the reason why, before investing in an R.R.S.P., you should talk to us.

Our main concern is your future independence (rather than our profit). That is why the administration cost of a Credit Union R.R.S.P. has been pared to the bone. There is no salesman's commission, no charge for cashing in your plan, and no charge for switching from one of our investment plans to another.
