## Spartans win over Sutton

**STOUFFVILLE** — SDSS Junior Spartans boys' basketball team travelled to Sutton last Thursday and came home with a well deserved 39-37 victory. This was sweet revenge for an earlier 38-37 overtime loss to the total. Paul Jones and Mike Rehill collected 6 apiece and Doug Davidson added 4 more.

Claude Maillet's two points proved to be the clincher which gave the Spartans their win as it was scored with only twenty seconds left in the game and was a very difficult shot from the corner.

Coach Dave Connell commented that "The team showed more hustle and better passing in this game, and that Ross Dube played one of his best games of the season."

## Soccer club cancels

**STOUFFVILLE** — The game has now been scheduled for 8 p.m. January 23 at St. Marks School, Elm Road, Stouffville.

The club is looking for new members, irrespective of whether they have any interest in sport. Interested persons please contact John Klein 640-5686.

## Marathon swimmer

by Jim Holt

**STOUFFVILLE** — Contrary to public opinion, swimming is not just a summer sport, at least not if you are Brian Mercer of Stouffville.

Already well-known in local circles as a dedicated swimmer Brian practices at the Markham Aquatic Club 6 days a week from 4 to 6 hours a day under the watchful eye of Texan George Smith.

His first award came when he won the Haliburton Lake Marathon, which incidentally he has won every year since. Brian also holds ten of his club records: from 50 to 1500 metres.

When asked about his thoughts when on one of his marathon swims Brian replied, "Sometimes I think of a very hot shower, especially when the water is very cold, or maybe I sing to myself." There are times of course when he feels all alone out there and very vulnerable, it is at times like these that the imagination starts to work overtime. So fear is also the companion of the long distance swimmer.

Brian feels that it is vital to be prepared both physically and mentally when training for any kind of event, especially the long distance ones. His preference of course does happen to lie in that direction. This he says "Gives me the most satisfaction!"

During our conversation the subject kept reverting to Lake Ontario and the hazards involved. On this question Brian feels that regardless of how prepared one is there is an element of luck in which one can pick up the right current, and be lucky in steering clear of cold water areas.

To date he has managed to swim a distance of 10 miles non-stop and is building up the distance as he progresses. At present he is also trying to put on another 20 lbs. so as to combat cold water swimming.

His first introduction came when he wrote to Cindy Nichols who encouraged him in every way during his early days. It would seem that his enthusiasm and dedication are boundless and of course this is what makes a true athlete.

Although still attending grade 12 at SDSS, Brian is not yet quite sure as to how he wishes to proceed in the academic field. However, at the back of his mind is the thought of perhaps a degree in business administration.

It is a fact of life that when one is dedicated to sport then there is very little time for girl friends or socializing. However, Brian has the consolation that the members of his club are a very close knit group and they are all very good friends.

WHITCHURCH-STOUFFVILLE HYDRO-ELECTRIC COMMISSION

**NOTICE HYDRO RATE INCREASE**

A notice in the December 28, 1978, issue of the Tribune announced a hydro rate increase for power used after January 1, 1979. The new rates were given, subject to Ontario Hydro approval.

That approval has now been received, and the 9.3% average increase reflects a discount of 5% from Ontario Hydro on their wholesale power bill to the Commission as a result of better than expected operations by them in 1978.

A copy of the new rates will be included in the first 1979 billing.

**Fight night**

**STOUFFVILLE** — The large crowd at Latham Hall on Saturday evening certainly received their monies worth when the Stouffville Fitness and Boxing club held a boxing tournament featuring several of the boxing clubs from in and around Toronto.

One of the hardest fought bouts of the evening came late in the card when Scott Eccles, of the Peterborough club, met Spence Arnfield of the Clairlea Boxing club.

Eccles, who is strictly a boxer in every sense of the word had a tough time winning a decision over Arnfield who is of the knock-em-down, drag-em out school of fighting.

The two contrasting styles were interesting to watch, and although Eccles took two counts of eight, and was dumped outside the ring on two occasions, he kept his head and continued to fight coolly and with precision, scoring time and time again with a series of good punches. Arnfield, due to his continual rushing tactics, ran out of steam after the second round making it easier for Eccles to take the decision on points.

Stouffville boxers did well. Carl Luefong knocked out Dave McCormick, of MacDonal's Boxing club, in the second round and Craig Bourne did the same to George Skeyrba of Rexdale.
