

# Diamond anniversary

The weather was far from pleasant, Saturday, but inside the Stouffville Masonic Hall, everything was sunny and warm.

The occasion was Mr. and Mrs. Stanley Lewis' Diamond Wedding Anniversary, a marriage

milestone worthy of celebration. The "open house", held throughout the afternoon, was attended by

hundreds, many from a distance. Stanley Lewis, son of Thomas and Jane Lewis and Adah Reesor,

daughter of Martin and Sophia Reesor, were married at Altona, Jan. 22, 1919.

Mr. and Mrs. Stanley Lewis, formerly of Altona and now living at RR 3, Mount Albert, celebrated their 60th wedding anniversary, Saturday. To mark the occasion, an "open house" was held at the Stouffville Masonic

Hall. Mr. and Mrs. Lewis were the recipients of many congratulatory messages including a telegram from The Queen. They have two sons, Bob and Harold; seven grandchildren and five great grandchildren.

While the Altona community is still looked on as "home", they now reside in a lovely residence at R.R. 3, Mount Albert.

"It was hard to break the old ties, but we like it here just fine," said Mrs. Lewis. "We have fine neighbors and have made a lot of new friends."

Both are extremely active. Mrs. Lewis enjoys knitting and crocheting with many samples to show for her skill. Mr. Lewis likes creating beautiful things out of wood including spoon racks and small rocking horses.

When they're not devoting time to these hobbies, they enjoy leisurely drives through the countryside. Both are in good health.

The day before their anniversary, they received a surprise visit from their niece, Marion (Mrs. Bob Martell) of Redvers, Saskatchewan. It was their first trip east. Phone calls came from as far away as Ireland and The Bahamas.

Messages of congratulations also came from Queen Elizabeth; Prime Minister Trudeau; Lieut. Governor Pauline McGibbon and M.P. Sinclair Stevens.

Mr. and Mrs. Lewis speak with pride of their two sons, Bob and Harold. Stan has one brother, Bert, in Stouffville. Adah has two brothers, Jacob in Stouffville and Harold of Flin Flon, Manitoba.

There are seven grandchildren and five great grandchildren.

## 1979 is International Year of the Child

### Here's what Ontario is doing and what you can do to improve the well-being of our children.

The United Nations has proclaimed 1979 as International Year of the Child in order to focus attention on children everywhere.

In Ontario, the Government has always looked at children as our most precious resource and has worked to provide them with the best possible health, education and social programs.

In 1979, we intend to strengthen these services and programs in the belief that the peace and prosperity of the future depends on the well-being of our children today.

However, the Year of the Child to be truly successful in Ontario, must have everyone's support...

Only you, as a parent or friend, can provide the love and concern that is so essential to the healthy development of a child.

For more information on the Ontario Government's programs for our children, and a list of suggestions of what you, your organization or community can do during the International Year of the Child, write to:
