

Sixteen year old Kim Evans of Claremont is a Grade 11 student at Pickering Dist. High School... She's an active participant in 4-H Club work, sings, in the church choir, teaches Sunday School and works part-time at Bruce's Mill Conservation Area. In addition, she enjoys reading, sewing, water and cross-country skiing, roller and ice-skating and family camping trips.

"Girl Next Door"

A busy teen

By Jim Thomas
CLAREMONT — Some teenagers, living in a community the size of Claremont, might consider life a bore. Not Kim Evans, a 16 year old Grade 11 student at Pickering High. Her main problem is not WHAT, but WHEN — when to work in all the activities that occupy her time. For example she's a member in the congregation at Claremont United Church; she teaches in the Sunday School and sings in the choir; she holds a County Honors certificate in the local 4-H Club and is working towards her Provincial Diploma; she's a member of the Youth Group at the Claremont Baptist Church; she holds a part-time job at the Bruce's Mill Conservation Area near Gormley; she served as a coach of a team in the Mighty Mites softball House League; she enjoys reading, sewing, water and cross-country skiing, roller and ice-skating and accompanying her parents and three sisters on family camping trips. On top of all this, she's been an honor student at P.D.H.S. for the last two years and hopes to repeat in June. Kim's our "Girl Next Door". Claremont has always been home, and while she spends some time in Stouffville, she has no fault to find with life in a smaller place. "There's always something to do," she says. Kim appreciates the challenge of being the oldest of four girls and

Federal grant

Hon. Barney Danson has announced the Awarding of a \$8,896 grant under the Young Canada Works Program to Participation House in Markham. The project should be of great benefit as it will teach the Bliss method of communication to residents of Participation House who have limited, or an absence of, any speaking ability, Mr. Danson said. This increased communication skill will also allow the residents to participate in additional recreational programs, he explained.

"Wine and White"

Pros aid athletes

By MARY JO SUTHERLAND
 Stouffville Dist. Secondary School is definitely on the way to "Gold" this year in track and field. A well organized training schedule has been developed that reserves Monday and Wednesday after school for middle and long distance runners and in the evening for sprinters and relay teams. Tuesdays and Thursdays are set aside for hurdles, long jump, high jump and discus. The middle and long distance runners please those in the high jump have additional practices on Fridays. As an extra bonus, S.D.S.S. athletes have some "real" pros, assisting in several events. Judy Sackfield (OFSSA High Jump Champion), John Christie (OFSSA Long Jump Champion) and Dave Dart (OFSSA Discus, Second place) are providing helpful advice. Outside assistance comes from George Neland, a national hurdler and Dave Pearson, an ex-printer and Canadian 500 meter champion. With such professional coaches as those just mentioned, S.D.S.S. should go a long way. Recently, at the York County Gymnastics Competition at Huron Heights Secondary School, the two representatives from Stouffville, Pauline Whale, competing on the floor and the beam and Jane Huxtable, on the vault, executed fine performances but failed to advance to the Georgian Bay Championships. However, all competitive gymnasts have a second chance to qualify for the All-Ontario Championships. S.D.S.S. is sending eight team members to this "try-out" in an effort to advance to the OFSSA. The school wishes them good luck. Next week, watch for up-to-date news on rugger and the May Prom!

Reunion Committee poses questions from the past

STOUFFVILLE — How good is your memory. If you're a former student of Stouffville High School you may know all the answers to the following questions. They've been prepared by the 25th Anniversary Reunion Committee and relate to events since the school's opening.
Question — What was the year Stouffville High School opened?
Answer — November, 1954.
Question — How many principals have there been at Stouffville High since that time?
Answer — Four — Mr. Robbins, Mr. Duxbury, Mr. McCartney and Mr. Witherow.
Question — Who was the Student Council President in 1955-56?
Answer — Barbara Hewlett.
Question — Name the form teacher in Grade 9B in 1959.
Answer — Mr. Rehill.
Question — Who was the school's May Queen in 1962-63?
Answer — The queen was Janet Devlin and

her attendants were Jean Winterstein and Barbara Button.
Question — Who was the school's valedictorian at the school's Commencement in November, 1964?
Answer — The valedictorian was Eric Button.
Question — Who conducted the Question School Band in 1966?
Answer — The Band conductor was Mr. Waite.
Question — Up to 1967, how many additions had been completed to the school building?
Answer — Three additions, one in 1960; one in 1963 and one in 1967.
Question — When did the High School open its doors to Grade 7 and 8 students?
Answer — The school accepted Grade 7 and 8 students first in 1969.
Question — Name the student who set a new boys' high jump record of 5 ft. 8 inches in 1970-71.
Answer — The student was Allan Bacon.
Question — Who was the High School's newspaper editor in 1973?
Answer — The

TAKE THE WORK OUT OF WINTER.

Blow snow one to sixty feet away with Gravelly's snow blower attachment for Gravelly riding tractors. All-gear driven, no belts, in 38 or 44 inch sizes. Call or see us for information on how to put snow in its place fast. We service what we sell.
