School music concert concludes on a happy note

Stouffville Dist. Secondary School's annual Music Night concluded on a happy note, Friday, when Sr. Band Co-ordinator, Christine Simons, presented leader Ted Hawley with a beautiful all-leather briefcase. The concert, that included a 40-voice mixed choir, directed by Jim Rehill, was described as one of the best ever presented at S.D.S.S.

Too much at stake

Dear Editor:

The high school teachers are threatening a strike again. It would seem this "cloud" is continually hanging over the heads of local trustees. Give us what we want or else, they seem to be saying.

I don't intend to debate whether teachers are under or over-paid. People, closer to the situation, are more knowledgeable on this than I. However, the only ones who really suffer in a strike situation are the students.

Do they no longer count? It would seem not. If teachers wish to bring pressure to bear on the Board, then work-to-rule in my opinion, is best. For, the practice really hurts no one but still keeps the issue(s) alive.

I'm with you in your May 10 editorial, "Bad timing for a strike". Let the teachers work-to-rule if they like but strike, never. There's too much at stake.

Fred Parke,
Manitoba Street,
Stouffville.

There's more to buying or selling a car than you think.

When you're buying or selling a car privately, a handshake and bill of sale doesn't mean the deal is complete.

If you're the seller, it's in your best interest to make sure the change of ownership has been registered properly with the Ministry of Transportation and Communications.

If it hasn't, all parking tickets automatically go to you. If you ignore them you could be subject to arrest for failure to pay fines. You could also find yourself involved in a civil suit if the vehicle is in an accident after the sale.

If you're the buyer, it's also in your best interest to make sure the change

of ownership has been registered. Both buyer and seller should visit a Ministry of Transportation and Communications licence-issuing office and transfer the ownership in person.

A free pamphlet, "Buying or Selling a Car Privately", is available at all MTC licence-issuing offices, or by writing Public and Safety Information Branch, Ministry of Transportation and Communications, 1201 Wilson Ave., Downsview, Ontario M3M 1J8.
