

# Mag-Wheel MX is Top Competition

# 124.95

Regular Value

- Super looking mag-style wheels
- Squashed competition frame
- Plus plated forks and trim

What a Winner! Shallow frame permits higher drive gear assembly for better ground clearance and longer crank arm for greater pedal thrust. With alloy mag-style wheels, competition frame plus matt black finish, bright decals and 20" knobby tires, this MX is handsomely irresistible. Don't miss it.
