

## "Girl Next Door" Slim-trim

**BALLANTRAE** — She's a real life advertisement for Vic Tanny's. And that's where she works. Twenty-one year old Marilyn Bouwmeister, Conc. 7, Whitechurch-Stouffville, is a fitness instructor on the Vic Tanny staff at Markham Road and Sheppard. She's been there almost a year now, full-time since February.

Marilyn's our "Girl Next Door". Born at Agincourt, she received her elementary education at St. Patrick's School, Markham and later attended St. Joseph's Morrow Park at Steeles and Bayview. She has one sister, Cathy, married and living in Richmond Hill and three brothers, Gary, John and Robert, all of Unionville. Marilyn has her own apartment, west of Ballantrae.

A firm believer in keeping fit (especially the Vic Tanny method), Marilyn's a walking, talking model for the firm. She's 5' 10" tall in her stocking feet and often jogs up to two miles in the evening. She says her whole outlook on life has changed since she became involved in the fitness program.

But Marilyn has other interests too. These include music, dancing, crafts, "growing things" and travel. She's visited such far-away places as France, Holland, Belgium, Mexico and California as well as Florida. She hopes to accompany her parents to Jamaica this winter. Some day she plans to make it to Hawaii.

Twenty-one year-old Marilyn Bouwmeister of Ballantrae is a fitness instructor with Vic Tanny's. Interests include - gymnastics, music, dancing, jogging, growing things and travel.

Jim Thomas

## Hockey College winner

**STOUFFVILLE** — For the second time in three months, the Stouffville branch of the Bank of Nova Scotia, has a winner in the monthly Hockey College draw.

Three year old Erin Hassal, 220 Main Street East, would have been the recipient of a new pair of Bauer skates. However, all things considered, Manager Paul Roney readily agreed to a cheque in the amount of \$75 instead.

With close to 1,000 Scotia Bank branches involved in the Hockey College program, it's unique that Stouffville should have award recipients in such close succession.

## NOTICE

The Town of Pickering Parks and Recreation Department apologizes for the delay in some residents not receiving their copy of the 1979 Fall/Winter Newsletter due to the method of delivery.

Registrations are still being accepted at the Municipal Building, Brock Road and Highway No. 2, Pickering, between the hours of 8:30 - 5:00 P.M., Monday to Friday.

Openings are still available in most Leisure Education Programs and some Aquatic Programs.

For further information contact the Parks and Recreation Department office at 683-2760.

## All is well

School has started for sure, and around the school students and teachers are adjusting to their new routines. Most students seem pleased to be back, especially the grade thirteens, after the short but exciting holiday we enjoyed on what should have been the second and third days of school. The teachers seem more relieved than anything else, and there are no hard feelings.

With the start of school come the various extra-curricular activities we have the privilege of enjoying every year. Teachers pledge their free time to making our school years more interesting and fulfilling, and there is a real feeling of appreciation throughout the student body. Already there are a number of sports, clubs and other activities being organized that are drawing the interest of students.

Prominent in the list of sports is soccer. This year we are fortunate in having three very promising soccer teams; Midget, Junior and Senior. The juniors and seniors played an exhibition game on the 20th and the juniors came up with a 2-0 win.

Other sports on the agenda for the autumn include volleyball, basketball, flag-football, frisbee-golf and wrestling. As well, the judo club is in its third year of operation, run by Mr. Reid, and Mr. Jones and Mrs. D. Stuart have organized boys' and girls' golf teams. Not to be forgotten is tennis. On the 19th of September, Jackie Armet made it to the quarter finals in the Junior Girls' Singles at the York County Tennis Tournament.

The Variety Show is already in the making. This is a very special event to a number of hard-working and ambitious young people who care about their school spirit. Again they are on the look-out for writers, choreographers, actors, dancers, stage, lighting and sound crews, make-

up experts and costume designers.

This year we have a new music teacher, Mr. Samuelson. Born in California he has travelled throughout Canada and the United States, playing for such orchestras as the New York Philharmonic, and at such places as the Charlottetown Festival.

He's got his hands full at the moment just handling his every-day classes, so it's not known whether the Junior and Senior bands will begin playing. However, the School Choir, under the direction of Mr. Rehill is once more being organized, although they are in need of male voices.

Another annual favorite is the Yearbook. Every year students under the supervision of Mrs. Krabi and Mrs. Warren put together a record of students, their clubs and sports, special events, dances, the May Queen, Graduation and much more. Even at the revised price of \$7.00, it's a bargain.

## Farming grads

More Ontario Agricultural College graduates choose farming careers now than they did 10 years ago, according to a recent survey.

The report, which examined the post-graduate activities of graduates from 1967 to 1979, indicates that the proportion of students pursuing a career in farming is increasing steadily. About 26 percent of the 1979 graduating class have gone farming, compared to only five percent of 1967 to 1969 classes.

"The proportion keeps going up because young people who want to farm realize they need more education," said Mr. Jenkinson, academic counsellor. "The increased popularity of farming as a professional alternative is also a reflection of the positive prices of farm products and farm incomes."

However, the increased popularity of farming is resulting in shortages of qualified graduates for agricultural industry.

**SIX GREAT FIESTA HOLIDAYS**

**CALIFORNIA TENNIS ANYONE**  
from **\$299.00** (US)

- 3 Nights in Los Angeles
- 4 Nights in Palm Springs
- 5 Days Car Rental
