

Growth boom

This week, the Chatham area is experiencing the fastest population growth of any district in Ontario. Beginning last Tuesday and ending this Saturday, more than 200,000 people are expected.

The attraction is the 1979 International Plowing Match and Machinery Show. It's being hosted by the County of Kent.

Many from Whitchurch-Stouffville will be attending, some as participants and some as spectators. The 700 acre site is on the Ian Maynard farm plus neighboring properties, three miles south of Chatham on Hwy. 40.

The 130 acre tented city will feature more than 130 exhibitors.

Over 200 plowmen (and plowgirls) are expected, with prize money exceeding \$40,000.

"Fall Break"

YORK REGION — With the Women's Spring Break at Seneca College proving so successful, a similar program is planned for the fall.

Tickets are now available for a one-day seminar at the King Campus, Nov. 3 from 9 a.m. to 5 p.m. The subject of discussion will be "Changing Careers" with topics to include: (1) The Business of Volunteerism. (2) You and Money and The Marketplace. (3) Psychology of Change. (4) The Decision to Re-train.

"We are hoping," said Eileen Macrae, Community Education Services Co-ordinator for York Region, "to attract women who are thinking about the process of change. They are either wanting to enter the work force or are currently looking for alternate occupations".

Registration forms are available in the local libraries or at Seneca College (King Campus), R.R. 3, King City. For additional information call 895-1581 or 884-9901.

Praise judge

UXBRIDGE — Lloyd Wilson of Uxbridge accepted his first assignment as judge at a cattle show and, in the words of a spokesman for The Holstein-Friesian Association of Canada, "did an admirable job".

The competition was held in Prince Edward County with 57 head being placed by nine exhibitors.

"He (Mr. Wilson) was very explicit and helpful in his reasons," the representative said. Gordon Parks and son Gary of Bloomfield, Ont., won their first Premier Breeder and Exhibitor Awards.

Record ride

WHITCHURCH — More than 225 riders are expected to saddle up Oct. 7 to help raise funds for the Community Association for Riding for the Disabled (CARD).

Registrants already total 180 for the 25 km trail ride through the York Regional forests of Whitchurch-Stouffville. This is a 30 per cent increase over the 150 riders who participated last year, and organizers are quite confident that this year's ride will top expectations.

"This is one of our major fund-raising events," said CARD president Dorothy Ames, "and it's particularly important that we do well this year because of our building program."

CARD is in the process of completing a unique \$750,000 facility at G.Ross Lord Park in the City of North York to provide therapeutic assistance to a great many handicapped children and adults through riding. The facility will enable CARD to provide an expanded program.

Last year's trail ride netted more than \$15,000 from pledges obtained by the riders and, if this year's projections are correct, about \$25,000 could be added to the association's coffers.
