

Don and 'Bob', parting is \$uch \$weet \$orrow

A year of effort culminates at fair

Don Smith and his hereford beef steer, Bob, will be competing in the Markham Fair's livestock competitions in the commercial and showmanship classes.

Don, 14, of Markham, a member of the 4-H Club, and has entered steers and does well in the competition for the past three years.

The steers are usually born around June on Saturday, followed by

the commercial class at 3:30 p.m.

If the owner of the steer is 15 or over, he or she may go on to compete for the Queen's Guineas at the Royal Winter Fair in Toronto. Younger winners have their steer sold at auction.

According to Don, having your prize steer sold doesn't hurt so much if it sells for a good price. The money from the steer goes to its owner.
