Appreciation

Dear Editor: The Markham Lions Club has just completed a most successful four days with their food booth at Markham Fair.

The Club is appreciative of the operation received from the Fair Board in allowing us the opportunity to participate in this great event.

We wish to thank you, the public, for your continued patronage. It is always a pleasure to serve you, even though at times, we are embarrassed when it's necessary for you to wait in line so long during peak periods. We appreciate your patience.

All proceeds are used to assist the handicapped and other community projects.

Thanks again. Without your support, we would be restricted in fulfilling our motto, "We Serve".

Jim Thomson, President, Markham Lions Club.

Whitchurch-Stouffville Soccer Club Presidents honors town benefactor

Earlier this year, McNeil Laboratories (Canada) Limited, generously agreed to provide eleven acres of their property in town for use by the Whitchurch-Stouffville Soccer Club next season. The site is of sufficient size to permit five soccer pitches to be located there. Out of appreciation, the Club, represented by President Martin Johannessen, (right), recently presented an engraved plaque to company President Lester Gagnon. Jim Holt
