Winchester G13001 XTR pump-action shotgun

Hunters will enjoy the light-to-carry, smooth-to-swing, easy-to-pump Winchester G13001 XTR. It has shortened, tapered forearm, 30" plain barrel, full choke chambered for 3" shells plus cross-bolt safety. Self-opening action allows fast, second shots. High lustre metal and wood finish. A fine gun. 75-5223

Browning BLR .308 modern lever-action rifle

Built to the renowned Browning high standards of appearance. Walnut stock and checkered forearm are finished to a high lustre — smart white-line recoil pad included. Detachable magazine permits safe quick-loads. Square-notch rear sight won't obstruct low scope mounts. Beaded front sight with hood. 75-5075

Winchester 94 is a fine, classic style rifle

Styled in traditions of the Old West, this lever-action Winchester includes many features. Machined steel components, grooved receiver, exposed, serrated hammer with half-cock safety. Stock and forearm are of American walnut with straight grip design. Side ejection. Available in 30-30 or 32 special calibre. 75-5050X

Winchester Cooney 600 bolt-action repeater rifle

This 22 calibre, bolt-action repeater represents outstanding value. Monte Carlo hardwood stock features a checkered pistol grip. Open bead front sight with adjustable rear sight. Curved, black built plate has white spacer. Extra-long magazine tube holds 18 short, 14 long or 12 long-rifle cartridges. 75-5006
