Low-priced value! CGE
swivel-top canister **79⁹⁹**

Economically-priced to make the most of a strict budget without having to sacrifice efficiency in performance. This hard-working basic model cleans like a pro and has the same famous reliability of higher-priced CGE vacuums. Swivel-top rotates 360° to let you clean a big area without continuously moving canister. With convenient carrying handle on top. Protective wraparound vinyl bumper. Canister moves easily on wheeling casters. With cleaning attachments included. 43-6228
