

# York volley -ball

**STOUFFVILLE** — The first York County Invitational Junior and Midget boys Volleyball tournament was held at Thornlea Secondary High School on Saturday October 20.

Winners of the tournament were Mimico High School who downed Burnhamthorpe Collegiate Institute 15-7 and 15-5 in two consecutive games.

Two York County schools got as far as the semi-finals. Huron Heights went down to Burnhamthorpe 15-7 and 15-6 whilst Mimico downed Woodbridge 15-8 and 15-5.

Despite team member Ginny Eby falling and spraining her ankle, the SDSS girls Midget cross country team took third place in the 3,150 metre event in the York County High

School meet, held in the Vivian Forest on Wednesday, Oct. 17. L to R Mary Griffith, Marjorie Griffiths, Darlene Schellender and Ginny Eby.

Stouffville District High School's team, entered in the Midget division, put in a gallant effort but ended up at the bottom of the table after losing to Richmond Hill 15-6 and 15-3 and splitting the game with Sutton 15-10 and 6-15.

In their game against Huron Heights, Stouffville came up against a Junior team and gave a very creditable performance, despite their loss 15-13 and 15-17.

In their final game of the day SDSS went down to a powerful Woodbridge team 15-1, 15-1.

Voted Most Valuable Player of the tournament was Phil Genova of Woodbridge.

**SENIORS**  
Credit Union 2 - L.M. Gardens 1. Union goals: Sherri Hardy 1, Jo Lynne goals: Sandy Hardy 1, Ayoite 1 (1 assist). L & M Assists: Kathleen Kamps.

## No ball?

**STOUFFVILLE** — Thursday evenings meeting of the Whitchurch Stouffville Softball Association was noticeable for the lack of public support it aroused — not one member of the general public attended, despite two notices in The Tribune that the meeting was scheduled.

The only persons present were Bill Dart, Bob Morley, Barb Brown, Al Piette and House League President Bob Moran, also the meeting convenor Cliff Dunkeld.

Main reason for the meeting was to get underway with next seasons plans, particularly those of appointing an Executive Committee, to undertake the Allstar teams organization and financial control.

The lack of interest shown by the public was most disappointing to those present; therefore, another meeting has been called, which will take place on Thursday, November 15 at 7:00 p.m.

Although most people are more concerned with the hockey season at present, it is vital that if the Association is to make its plans, and ensure that the necessary grants are available from the town, then things have to start moving pretty quickly. Budget deadline for all recreational organizations is January 1, 1980.

## Peewee 'A's shut-out Bay Ridges 6-0

**STOUFFVILLE** — After three pre-season victories, and one tie, the Stouffville Peewee 'A's opened its regular season schedule with an impressive 6-0 shutout over a powerful Bay Ridges team.

The local boys outplayed Oak Ridges in every department, yet only managed a 2-0 lead by the end of the second with goals from Doug McQuigge, perfectly set up by Kenny Burrows in the first period, and a second period goal by Paul MacEwen from John Parcels and Craig Vaughan.

The game was an exciting one for Stouffville as it gave

period with four consecutive goals from Paul MacEwen, who picked up his second goal of the game when Bill Hutchinson sent him in alone. Chris Doyle set up Kenny Burrows for the first of his two goals, with Jeff Stover and Darrin Hardy assisting on the second.

Stouffville ended their scoring spree when Brent Brown slid the puck under the sprawling body of the Oak Ridges netminder. The pass came from Shawn Leonard and David Fockler.

The game was an exciting one for Stouffville as it gave

coach Charlie McQuigge and Manager Lyn Ferris a chance to see their pre-season work produce results.

The team showed good defensive work by Brad Evans, Craig Vaughan, Darrin Hardy and Kevin Ferris.

Excellent goal-giving by Joe Risk and Darryl Brown earned Stouffville the shut-out.

The Peewee 'A's home night is on Friday at 8:00 p.m. Lets hope the boys can continue their fine play for the rest of the season. They certainly have a flying start.

## Win 2 straight

## Show discipline

**STOUFFVILLE** — With two straight games to their credit at the opening of the season, the Stouffville OMHA Peewee 'B' team is off to a flying start.

Their first game this year was against Uxbridge on Tuesday evening Oct. 16, and they came from behind to snatch a 2-1 victory.

Uxbridge potted their first goal of the season in the first period, whilst Stouffville had to wait for Brian Lewis, from Mark Murphy, to give them a tie in the second. The only other goal came four minutes from the end of the period from Jeff

Conway, unassisted.

In their second game, last Saturday, against Port Perry, the Stouffville boys refused to be intimidated by the 'bully-boy' tactics of the Port Perry team; who spent most of the game in the penalty box whilst Stouffville played hockey.

Full marks to Coach Ted Coward who has obviously got a well disciplined team working for him. Stouffville took only 2 tripping penalties in this game.

Martin Wells played an excellent game for Stouffville and collected a hat trick, with goals two, four and five, on assists

by David Collins and Danny Underwood. David Spency put the team on the board, with an assist from Jeff Wilkinson, during the first period.

Stouffville's third goal was by David Collins from Martin Wells and Danny Salisbury.

Full marks to Shawn Duncalf who kept his cool and refused to be intimidated out of the game; which is more than can be said for his assailant who picked up a five minute penalty.

The final score of 5-3 gave Stouffville a well earned win and Port Perry a well deserved loss.

### The Town of Markham PUBLIC HEARING

**MONDAY, OCTOBER 29, 1979, 8:00 P.M.**  
CENTENNIAL ARENA, McCOWAN ROAD, MARKHAM.

A Public Hearing will be held by the Planning Committee of the Council of the Town of Markham to consider a Secondary Plan for Part of the Markham and Unionville Planning District (Planning District No. 1).

The subject community is commonly known as Flaymerville.

The subject lands are located between McCowan Road on the west and Highway 48 on the east, and between 16th Avenue on the north and C.N.R. (Uxbridge Sub-division) on the south. The lands consist of approximately 238 hectares (588 acres) and are designated Urban Residential, Open Space, Hazard Land and Industrial in the approved Official Plan of the Markham Planning Area.

The purpose of the Secondary Plan is to establish detailed land use categories, being Urban Residential (Low Density), Hazard Lands, Open Space and Industrial and to establish a basic pattern of internal streets, location of schools, parks and associated community uses for the future development of the area.

The Urban Residential (Low Density) designation will permit single family detached dwellings, semi-detached dwellings and single attached dwellings such as street townhouses or linkhouses.

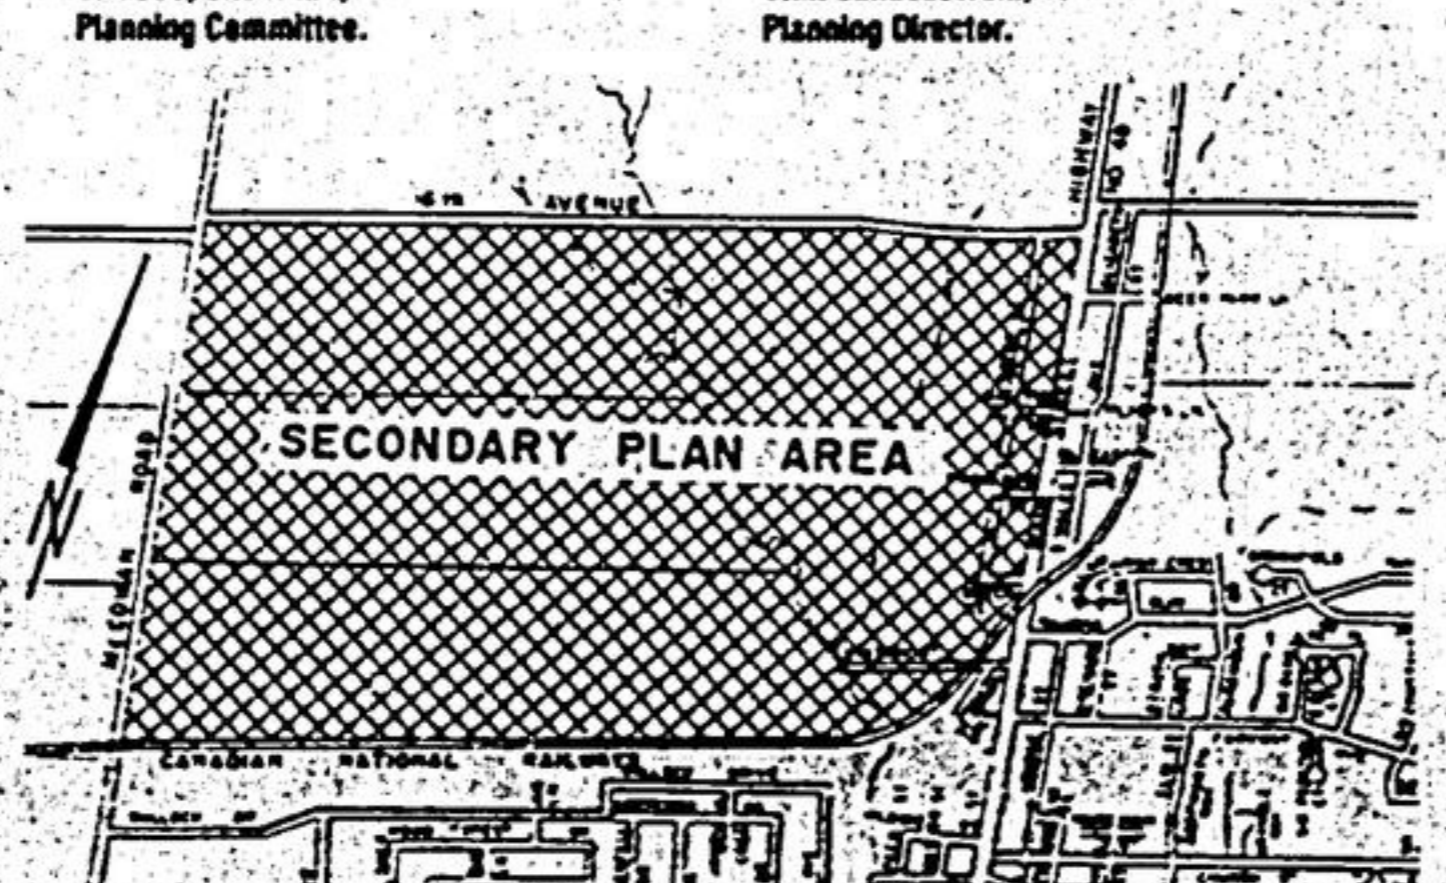

Actual development of the lands will in addition require the prior approval of plans of subdivision and appropriate zoning by-laws and agreements.

You are invited to attend the Hearing and to state your support of or objection to the proposed Secondary Plan. Should you be unable to attend, written submissions will be received up to the time of the Hearing.

The proposed Secondary Plan, the Official Plan and existing land use maps may be examined at the office of the Planning Department.

DATED October 11, 1979

T. Gove, Chairman, Planning Committee. T.M. Janszewski, Planning Director.

THE QUALITY GOES IN BEFORE THE NAME GOES ON

## INTRODUCING... THE MOST AMAZING VIDEO RECORDER YET!

Featuring

**REMOTE VIDEO CONTROL with SPEED SEARCH and STOP ACTION.**

**ZENITH VIDEO DIRECTOR**

MODEL VR9000W

**RECORD THE TV PROGRAM YOU'RE WATCHING**

**REMOTE VIDEO ACTION CONTROL**

With Speed Search, you can speed through unwanted recorded material at approximately ten times normal speed to quickly find the programming you're interested in. Speed Search can also be operated in reverse to provide an "instant replay" of what has just been seen. Speed Search permits you to find the scene you want — no more searching — you see the program in the Beta III search mode.

The Pause/Stop Action control lets you edit out commercials or unwanted scenes during recording... all from the comfort of your easy chair. The tape may be momentarily stopped for a "freeze-action" or still picture in the Playback or Audio Dub mode by using the pause key on the recorder or the Remote Video Action Control.

**RECORD TV PROGRAMS WHILE YOU'RE AWAY**

**"WEEKEND" AUTO RECORDER**

With the aid of the "Weekend" Automatic Timer/Programmer, recordings can be made while the video recorder is unattended. The "start" time can be set for TODAY, TOMORROW or DAY-AFTER-TOMORROW. This permits the Timer to be set on Friday to record a program on Sunday night. The "Weekend" Automatic Timer also permits daily recording at the same starting time (and for the same duration) on successive days. For example a "Soap Opera" fan can record up to a full week of daily episodes while away from home.

**FULL 5-HOUR TV RECORDING/PLAYBACK**

In the  $\beta$  III mode, you can get up to 5 hours recording and playback time on one L830 video cassette. This allows you to tape shows, dramas, specials, sports events, etc. to savor the second time around.

**BETA II AND BETA III TAPE SPEEDS**

The Zenith Video Director has the capability of recording and playback of both Beta II and Beta III format video cassettes.

**ELECTRONIC TUNING WITH 14-POSITION VHF/ UHF TOUCH-COMMAND CHANNEL SELECTION**

No internal moving parts or contact points in either VHF or UHF tuner to corrode, wear or cause picture problems. This tuning system assures direct, positive signal reception every time you select a channel. Touch-Command Channel Selection permits selection of up to 14 channels in any combination of VHF and UHF channels, in any sequence desired, at the touch of a button. To change channels, lightly press the proper button. Channel change is instant and direct.

**AUDIO DUBBING**

The Audio Dub control lets you add your own sound to previously recorded tapes. Add music and narration to your own homemade productions or to any video material.
