Giant Hiway-Byway 2+2 Glass-Belted Snow Tire

Built big, built tough, with reinforcing Glass belts that stabilize a coarse-lugged tread to barrel through deep snow. Two rugged plies of Du Pont 66 Nylon provide an extra margin of safety (see Nevada Desert Test Results posted in store). An outstanding snow tire built to make fun of winter driving.

4-Ply Nylon or Polyester Winter Express Snow Tires

With the deep-traction Winter Express 4-Ply, you have a choice of Nylon or Polyester — either way you're getting a dependable, hard-grabbing winter tire. Nylon offers strength at low cost; Polyester eliminates cold-start thump for extra smoothness. Both are equipped with rugged tread lugs that just don't quit to keep you on the go through heavy snow. Get a set now and you can ride with confidence through winter's worst.

All our Passenger Car Tires are 5-YEAR Road Hazard Insured

Hiway-Byway Lug Tread

This dependable, traction-lug tire is a great performer year round. It really comes to the rescue in deep mud, heavy snow or loose sand. Remarkably quiet despite its coarse tread.

White-Letter TORNADO

A go-anywhere performance tire specifically designed for recreational vehicles. Polyester bias-ply body provides smooth, vibration-free ride. Raised outline white letters punch out TORNADO.

Optional 5-YEAR Road Hazard Protection Available

Hiway-Byway Winter Radial

P185/75R-14 (CR78-14) **56⁰⁰**
2 or more each after discount*

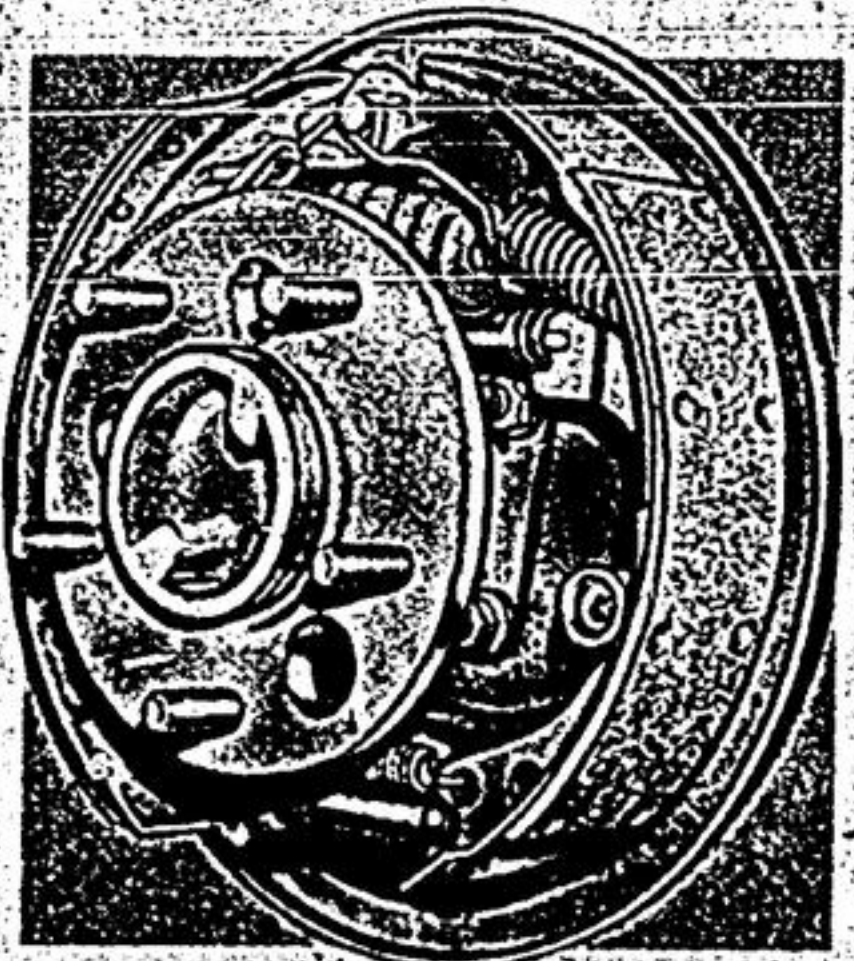

Our finest radial snow tire with KEVLAR, the amazing Aramid fibre that is pound-for-pound, 5 times stronger than steel. Du Pont's mighty KEVLAR allows a construction that provides all the handling capabilities of steel radials without their harshness. Two Polyester plies add to the smooth-riding performance. And the Hiway-Byway features Big Paw Traction — a blend of natural and synthetic tread rubbers that grip like a polar bear's paw for near stud-like traction.

No Extra Charge for Installation of our new passenger tires on most standard rims when you buy a Schrader or Dill valve at our reg \$1.25 price. We must install new valve with tire.
