Bears win 10-0

STOUFFVILLE — The Polar Bear Novice Allstars travelled to Port Hope for a scheduled league game on Tuesday evening Nov. 6 and came away with a very convincing 10-0 win. This was goalie Scott Evans' first shut-out of the season. The Stouffville scoring was led by Darron Baston, who was in great form, with five goals. Brad May also did his share of work, and was close behind with three goals of his own.

Brad Tiley gave both the assists in the first period to May, who put the Bears ahead 2-0 at the end of the first.

Late in the second period Tonio Trentadue slapped in a pass from Danny Larmer and Bruce Hachey and minutes later Darron Baston split the defence on a perfect pass

from Brad May, to start his scoring spree. Leading 4-0 at the opening of the third period the Bears continued to put the pressure on Port Hope and were rewarded with an early goal by Darron Baston, on Kevin Blacktop's pass from behind the Port Hope net. Baston's hat-trick, minutes later, came from Craig Stornach. Brad May collected his third unassisted on a breakaway from centre ice.

With the clock running down Baston upped the score to 8-0 and Larmer skated neatly behind the Port Hope net and tucked the puck in nicely. Baston's fifth and final goal closed out the scoring on Larmer's pass.

In a futile last minute stand, Port Hope pulled

their goalie to try and break the deadlock. Thanks to some big saves by Scott Evans, despite terrific pressure, the Bears earned their shutout.

Robbie Parcells will be out of the team for the next six weeks. Unfortunately Robbie broke his leg when he hit the boards.

In their Friday night game, the Bears met Oshawa and managed to hold them off to a scoreless first period. However, Oshawa managed to chalk up two goals in the second and two more in the third period to end the game 4-0.

The Polar Bears standings at present are five wins, three losses and no ties. Their next home game is at 7:00 p.m. on Friday, against Bowmanville.
