

Clippers on scoring spree

Merchants clobbered

STOUFFVILLE — The Anderson Haulage Clippers came alive again in their home game against Little Britain's Merchants on Wednesday December 5. It was the Clippers second win in a row, following a series of defeats that had pushed them down to fourth place in the league standings.

Ken Dix headed up the Clippers scoring, contributing four of their thirteen goal total. The Merchants replied with a dismal two goal tally; one of them on a power play.

As far as the Merchants were concerned it was an exercise in futility. They could do nothing against the relentless attack line of

the home team. It was like trying to stop an incoming tide.

Steve Price set the pace with a Clipper's goal early in the first period, unassisted. From there on in it was a procession of goals by the Clippers that had the Merchants scattered like debris all over the ice. Checking by the home team was not only formidable but effective. What is more, they took only three penalties throughout the game; they must have made their new year's resolutions early.

Ken Dix picked up his first two goals of the game within seven seconds of each other, at 5:06, with assists from

Harold Wildman and Bruce Rugelis. The period ended 3-0 to the Clippers.

Eight minutes into the second period the Merchants must have been wishing the game was already over. The puck entered their net at regular two minute intervals, with barely enough time for the intervening face-offs. Before the period ended Ken Dix collected two more, with Kevin Bartley, Bruce Rugelis, Steve Schell and Bill Ackroyd adding singles to bring the total to 9-1.

Despite their comfortable lead the Clippers were not content to sit back and relax. Bruce Rugelis; what a busy man

he is, picked up a Deguer pass, to give him his second goal of the game. Glen Gibson went on a solo foray for a single. Rugelis again supplied the assist for Bill Ackroyd's two goal lally. The thirteenth goal came with four minutes left on the clock when Dave Raymer caught Steve Schell's rebound, to slide it behind the Merchants goalie; who certainly didn't need to be reminded that thirteen is traditionally unlucky.

It was a great game for both spectators and players. For the first time this year everything fell into place.

If only they could play like this all the time.
