LUCKY, is homeless, 2 years old, medium sized, spayed and of Shepherd/Collie background. Let's hear from her. "I like kids, I like cats, I like other animals. I can heel, sit and stay. The vet says I'm very healthy and I need a fresh break in life. If there is an active on-the-go family out there somewhere in the fresh-break world that would like a new family member — look my way. I'm the one.
BOOPER, is homeless, 8 years old, and of shepherd/Collie background. "I'm 8 now and have had to leave an elderly master and my apartment home in the City because of the laws that humans made so they could get rid of me. The humans that make the laws don't seem to care that I'm gentle and quiet, well behaved and well trained. I can even do search and rescue work. I wonder if someday I will be called to save a lawmaker lost in a snowstorm. I'd make a real fine companion for someone who cares."
