Deadlock

STOUFFVILLE — Having completed two of the five game series against Markham, Stouffville's Atom A's are now deadlocked in a double tie.

In their first game, at home, Stouffville carried the game well into the Markham half, and along with splendid goaltending managed to retain a 2-0 lead right up until the final minute of the game.

Mike Ferguson, on an assist from Sean McQuigge, put Stouffville on the board at 6:06 in the second period and Derek Hutchinson closed off the scoring at 1:49.

To all intents and purposes the Stouffville squad had it all tied up, however, a do-or-die effort in the last minute of play paid dividends for Markham. In a strong blitz on the Stouffville goal they scored twice, at once at 0:49 and again

eleven seconds later to tie the game, which proves the old maxim that 'the game is not over until the final buzzer'.

In the second leg of the series on Sunday February 3, Markham travelled to Markham where again they tied, 1-1.

Both teams remained scoreless in the first period and it was Markham's Robbie Hunter, unassisted, who was first to score.

Stouffville fought back hard, and it was not until 9:32 in the final period that their efforts were rewarded when Daryl May, from Sean McQuigge and Lee Vautier, managed to even the score.

Neither team managed to get the clincher and the game ended in a 1-1 tie.

The third game will be played at Stouffville on Friday February 8, at 7:00 p.m.

Do or die

PORT HOPE — The Stouffville Peewee A's kept their play-off hopes alive when they downed their Port Hope hosts 6-0 on Friday evening, to advance to their next game in the round robin series against Cobourg.

Darrin Hardy set the pace early in the game with a blistering slap shot from the point; he also collected two assists.

Leading the scoring for the A's was Bill Hutchinson, with a pair. Singles came from Shawn Leonard, Donnie Brooks and Mike Feasby.

Joe Risk and Darryl Brown alternated in goal

and gave faultless performances to earn the shutout.

Next game for the Peewee A's is on Friday Feb. 8 at 8:00 p.m. at Stouffville arena, where they will meet Cobourg.

This again is a do or die situation for the local team. They must win this one to stay in the playoffs. Come and support them.

Tie game

BEETON — The Stouffville Men's Amateur Hockey League team of Selects, sponsored by Village Pools, came to Beeton on Saturday to play their second game of the season against the Birmingham Bulls.

The Bulls opened the score early in the game with the Selects making a rapid five goal reply. Despite their convincing lead, the Selects had it slowly whittled away by an unknown and unidentified Bull player, known only as Pinky, who slapped in five consecutive goals.

Mike Jones took an expensive penalty at 2:14 in the final period, when the Selects lost their 12-11 lead to have the game tied.

John Blair led the scoring with four. Kenny Chuppa and Mike Jones added two each whilst singles came from Frank Kafun, Bill Corner and Bill Ormson.

Lindsay tie Clippers

STOUFFVILLE — If the Anderson Haulage Clippers continue to play hockey as well as they did in their first game of the play-offs, against Lindsay on January 30, then top runners Cobourg, Bowmanville and Port Perry are in trouble.

Having lost to Lindsay earlier in the season, the Clippers enjoyed

every minute of their sweet revenge and skated rings around the suspect play of the visitors.

Goals came from Wideman, Spang and Schell in the first period, Price, Greenaway, Rugelis and Burrows in the second and Raymer and Ferguson in the third; the even spread indicates how well they are playing as a team.

Schell was outstanding. In addition to his goal he supplied six assists.

Highlight of the game was Price's second period goal, in which he picked up Ted Waite's long pass whilst in full flight and hammered it in without breaking stride. It was perfect anticipation and timing which the crowd were quick to recognise with a standing ovation.

Lindsay made no reply to the Clipper's first period three goal start and in the second they fell too far behind to make a game of it, despite their two goal tally within five minutes of the face-off; both on power plays.

The final frame was even. Both teams notched a pair with Lindsay scoring on power plays.

The Clippers lead the shots on goal 34-30 whilst Lindsay collected 35 minutes in penalties to their hosts 26.

Clippers took heavy punishment; Schell, Rugelis, Spang, Price and Wideman all took the brunt of the Lindsay stick swinging attack.

Lindsay's four quick goals in the first period were too big a leeway for the Clippers to catch up on, and even though they came within two of Lindsay's six goal tally at the end of the second, they could not score in the final frame.

Lindsay added a single in the last few minutes to make it 7-4.

The fourth game in the series will take place at Lindsay on Friday evening February 11. If necessary, the fifth and final game will take place in Stouffville arena on Saturday February 12 at 8:00 p.m.
